Good Indorsement

The theatre-goers of Boise will no doubt regret the close of the Mack Edwin Theatre Co who have just finished a two weeks engagement at the Columbia. During their engagement here they have presented a different comedy or drama each evening in such a finished and artistic manner that they have won the highest plaudite of all. The company had the pleasure of displaying the "standing room only" sign several times during their engagement. Every member of the company have made countless friends during their short stay in Boise. To say they are favorites, is expressing it mildly. They are all sure of a warm welcome in Boise.—Boise City Evening News. This company will open a week's engagement at the opera house tonight in "The Silver Dagger". The prices for this attraction will be 10-20 and 30 cents. A special matinee will be given Saturday for the benefit of the ladies and children.

Figure it Out

The county election in June is just now furnishing a basis for political calculations and candidates are already being "mentioned" for the various offices. The 1904 election showed party strength as follows in Union county:

Republican.....	1747
Democratic.....	1218
Socialist.....	267
Prohibition.....	229
Total vote cast.....	3451

A fair estimate of the Republican plurality in 1904 was 500 votes.

The question now is, has the ratio changed since 1904, and what figure will the primary law and the independent candidate cut in 1906.—Republican.
