### Fair Stock Show

Portland, Sept. 12—Fair Queen, champion of many fairs, and, as a cow which has never been beaten, entitled to rank as one of the greatest show cows living, is entered in the short-horn class at the Lewis and Clark Exposition from September 19 to 29. Fair Queen took championship honors at the World's Fair at St. Louis last year, and also at the International Live stock shows held at Chicago in 1903 and 1904 and at the American Royal show at Kansas City in the same years. She is the holder also of various premiums at leading state affairs all over the country.

"In the southern show the class of cattle will be the highest in the United States," said H. D. Wisdom, live-stock superintendent at the exposition. "It will be a show of great quality and one that people cannot afford to miss. The short-horn show in general will be equal to any show ever held in America of this breed of cattle."

"In the holstein class," continued the superintendent, "The Hazelwood Farm company of Spokane has entered 20 head of show stock chosen from 70 head which the company purchased in Wisconsin. These are the best of the class to be found. They will compete against the world's champion herd of the Pierce Land and Stock Company of California, a herd which is without question the finest in the world. The Pierce Land and Stock Company imported 40 head from Holland last year and the bull that heads the herd is one of the importations. He is considered the finest bull of the breed living today. Besides these two herds, John B. Irvin of Wisconsin, who won at St. Louis last year, and F. A. Frakes of Oregon, who also owns some St. Louis prize winners, will show at the Fair."

"In Jerseys there will be shown a fine and select herd from the Haze Fern farm owned by the W. S. Ladd estate. This is one of the finest herds of Jerseys in the world, and the stock sent to the show ring will be the very finest specimens of the breed procurable anywhere. In competition with the Hazel Fern herd will be the herd of Dr. Still of Missouri, which was prominent among first prize winners at St. Louis last year, and which has been recuperated in size and merit. Besides these two there will be a number of local herds of quality, including those of Harry West, D. H. Leoney, A. C. Martin, B. Altman and Atkinson brothers, all of Oregon. In sheep, swine and goats all the prominent breeds will be represented by the finest type of animals."

### Startling Mortality

Statistics show startling mortality from appendicitis and peritonitis. To prevent and cure these awful diseases, there is just one reliable remedy, Dr. King's New Life Pills. M. # DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

## FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

**How to Find Out.**  
You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

**G. B. Burhans Testifies After Four Years.**  
G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and \$1.00.
