Show Last Night

The performance of "Down on the Farm" last night by the Mack Swain Theatre company fulfilled every promise made to the public that it was funny and possessed merit. Every member of the cast was worthy of special mention and those who starred were Mark Swain as El Hiskins the overgrown hired man, Lester Howard as Professor Timothy Dawson, and Dorothy Fairfax as Mabel Halstead and Ours Swain as Beth Walton. El Hiskins, though, occupied the center and almost the whole of the stage during the play and it needed but his toothless smile to evoke laughter and his lined to produce hysteric. The absent minded professor too, was just as funny as he was Monday night as the tramp.

Tonight the company is billed to play "The Little Minister" in which Maud Adams has starred in. Their costumes are said to be a duplicate and the scenery very fine. The company carry their own scenery made especially for their different plays.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.
You can easily determine if your kidneys are out of order by getting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.
G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and \$1.00.
