

OUR NEW STATIONERY STORE

For some time we have realized that our stationery department demanded more space for its rapidly growing trade, so we have secured the building adjoining our present store and will stock it up with the largest and most complete assortment of stationery to be found in this section.

EVERYTHING IN STATIONERY

When our stock is all here there is nothing you can ask for in this line but that our stock will provide if it is to be had anywhere.

SCHOOL SUPPLIES OF ALL KINDS

Just now there is a demand for school books and supplies and we have everything needed for the scholars' equipment. At present we have quite a complete assortment of second hand books and all the new books. In the line of supplies we can afford you some saving on nearly every item.

PERIODICALS WILL BE ADDED

In the new store we will carry all the popular magazines and periodicals. Whenever you are in want of reading matter of this kind our files will be sure to afford just the kind of literature you want.

MANY NEW BOOKS

We have always had the largest stock of book in town and it will be greatly increased in the new store. We have a standing order for all the latest copyrighted novels while our assortment of old favorites, poems, gift editions and standard works will always be found complete.

BLANK BOOKS AND OFFICE SUPPLIES

We have been adding to our stock of blank books, account books, legal forms and office supplies from time to time but now have an order in for a full line. In the new store a whole department will be given to this stock. Those in need of anything in office supplies will save time by coming here first, we will surely have just what is wanted and the price the lowest for which the same quality may be had.

OUR DRUG STOCK ENLARGED

Moving the stationery and book department into into the new store will enable us largely increase our drug stock and to display it to better advantage. We will also add new lines which our former cramped condition would not permit us to do.

WHAT IT MEANS TO YOU

We intend that these two stores shall in every way provide for the growing wants of this community and shall in every respect conserve the best interests of those whom we serve. We ask for your trade because we know that you will find it to your advantage to trade here, that you can always be sure of getting just what you want at a price that is reasonable and fair.

Reyes is Dictator

Panama, Sept. 30—Unconfirmed reports here today are to the effect that General Rafael Reyes, president of Columbia, declared himself dictator September 16 and imprisoned the members of the supreme court at Bogota. Mobs attacked the presidential palace and were fired on by troops who killed or wounded many of the rioters. The reports say that revolutions have been started in Antioquia and Santiago.

Sounds Reasonable

If your spinal anatomy is once properly adjusted by an Osteopath perhaps the world will seem a better place to dwell in.

Osteopathy may fail to cure you, but it will not hurt you while making the trial; and it is certain that it can do every patient some good, whether it corrects the main trouble or not.

The knife should be the last resort. It is not just to your body to mutilate it until you see if putting it into good mechanical adjustment will not cure your malady. Osteopathy makes many operations unnecessary.

Why suffer with headache, constipation, stomach, kidney and liver troubles, when Hollister's Rocky Mountain Tea will cure you? No money wanted unless you are cured—35 cents. Tea o Tablets Newlin Drug Co.

Incredible Brutality

It would have been "incredible brutality" if Chas. F Lemberger, of Syracuse, N Y., had not done the best he could for his suffering son. "My boy," he says, "got a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at Newlin Drug Co. drug store.

LA GRANDE SCHOOL OF MUSIC

PROF. DAY, Principle.
MRS. DAY, Assistant

This is one of the best musical institutions in the state, and the people of this city and valley are beginning to discover the advantages of this school. The system used is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners, from 5 years or more and are taught the first three grades. Pupils come one hour every day. This is no Kindergarten system but far superior. In No. 2 the grades are from 8 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.
