Theatrical Man Dies

Yonkers N Y Sept 27-Jacob Latt,

Burlington to Build

Basin, Wyo., Sept. 27 .- Ohlef Enginear I S P Weeks, Locating Enginee Ensign and other officials of the Burl ington, made a trip over the line of survey for the road from Francie to the mouth of the Greybili river a few days ago, and from an official source it is learned that contracts will be let and grading commenced at once. The line will be built to the mouth

nd later diverging lines will be con structed to Basin and also to Mestestsee and the Kirwin gold camp. By-ron Sessions and Siskop Crosby, leaders of the Mormon settlements in the Hig Horn basin, have secured sub-

HIS DAYS ARE NUMBERED

Soripps News Association.

Chicago, Sept. 27.—The condition of President Harper, of the University of Chicago, is most discouraging. Alarming reports are in circulation to the effect that he cannot live longer than three weeks at the very most. The growth of the internal caucer is increasing at a rapid rate, and all the efforts of the physicians to prolong his life seem to be unavailing.

The fire was extinguished with great damage. The postoffice, two newspaper offices, the government house, atives hursied to the scene.

Goes to the Jury Today

Scripps News Association

Portland, Sept 27, -For the third time United States District Attorney Heney has finished his final argument in the Williamson fraud case, and for the third time the case has been turned over to the federal jury for is con-

Two juries nave falled to find a var dict, and what the present jury do is still an unknown quantity. Mr Hency completed his finet argument number three this afternoon, and the jury received the case at three o'clock. The government feels certain that a variet of guilty will be reached, and defense seem equally certain that the defendants will be acquitted. It is no-cepted by both sides that the jury this time will find some sort of a vertical seems of the form the seems of the seems that the pury this time will find some sort of a vertical seems of the seems that the seems the seems that the see anager of a large number of theatrer day fi'ed an injunction restraining dict, as it is agreed that from the hardly likely.

Prenatal Insanity

Scrippe News Association.
Welloville Mo, Sept 27—Richard Maughs, formerly of this city, and who is under the sentence of death at tiarrod, Cai., for the murder of his employer, a ranchman, may escape the gallows as friends and relatives of the man have raised \$2500 to send a representative to California with facts abowing that Manghe' mother was insens shortly before her son was born Maughs' divorced wife and family still live bare.

Idaho Lands

Boile City Sept 27-The state of Idebe is today over one hundred and thirty thousand dollars righer than it was yesterday morning. The suction sale of 6000 acres of land in Canyon county, owned by the state, lying under the Boise-Payette ditch, was sold yesterday in the ball of representstives at the state capitol.

The sale called out many speculators us the majority were bona fide farmers in search of good land for homes. The first day of the cale resulted in disposing of 4480 seres of land in the most desirable locations on the tract. The average appraisement by the state board of this land was \$16 20 per acre. At the sale it brought an average of 29,424 per agre

Whon the state board advertised bis land for sale and made public an appraisement of the tract, the public united in pronouncing the price too nigo. Yesterday's saie provos that there has been a decided change in sentiment on this question since she sale was advertised. fracts of 40 scree appraised at \$10 per sore were yesterday bid up to \$25 per acre. In many instances spirited bidding was indulged in. A few of the more choice subdivisions caused the most intense rivalry among bidders.

Ex-Governor Hune bought heavily of some of the highest priced land.

American Party

Salt Lake Sept 27—The American party organized to oppose the Mermon church in city and state politics, today placed is semination its first municipal ticket, with Exra Thomp-son as its candidate for mayor. Mr Thompson, a mining man and capita-tist, was formerly mayor of the city, heing elected as a Republican. The platform adopted charges "that the Mormon belrarchy owes both the Republican and Democratic machines" Both the Republicans and Democrate will hominate complete tickete
