He was gone half an hour before his absence was discovered.

Several guards and Indian trappers were immediately started in pursuit but Reed has thus far kept out of sight. The trail has been followed as far as Glenwood, a station on Lake Tahoe. The convict is headed toward Trask, where it is thought he will be captured. He is still wearing the convict garb and so far as known is unarmed.

CATARRH A UNIVERSAL DISEASE

Catarrh usually begins with a cold in the head, but does not stop there. The mucous membranes all become inflamed and secrete a filthy, unhealthy matter which is absorbed by the blood and distributed to all parts of the body. The patient is then continually hawking and spitting, the nose is stopped up, the ears have a ringing or buzzing noise, the throat becomes sore, and as the unhealthy matter more thoroughly saturates the blood a general feeling of despondency takes possession of the system.

I had Catarrh for about fifteen years, and no man could have been worse. I tried everything I could hear of, but no good resulted. I then began S. S. S., and could see a little improvement from the first bottle, and after taking it a short while was cured. This was six years ago, and I am as well today as any man. I think Catarrh is a blood disease, and know there is nothing on earth better for the blood than S. S. S. No body thinks more of S. S. S. than I do. Lapeer, Mich. E. J. ATKINSON.

Local applications cannot cure Catarrh, because they do not reach the seat of the trouble. They allay the inflammation and temporarily relieve the disease, but as soon as they are left off the trouble returns. The only way to cure Catarrh is to treat it through the blood. S. S. S. soon clears the blood of all Catarrhal matter and purges it of all irritating poisons, checks further progress of the trouble and completely cures the disease. S. S. S. keeps the blood in perfect order so that it can eliminate from the system all waste matter that will produce Catarrh. Nothing equals this great vegetable remedy in the cure of this disease. Write for our book and any medical advice you wish. We make no charge for either.

Incredible Brutality

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at Newlin Drug Co. drug stores.

Five Men Sentenced

Grande Pave Ore Sept. 28— Judge Hanna Tuesday sentenced five men to the penitentiary. Three of them, Ben O'Neal, Ed Ross and Ed T. Berry were given five years each. They took a grip from the depot which a traveling man had set down for a few minutes.

Great Floto Shows

There is certainly no traveling entertainment in America, perhaps in the world, which presents exhibitions so varied, so attractive and so multitudinous as do the Great Floto Shows. Since the days of Noah a more complete menagerie has never been seen. Traditional, poetic and enchanting scenes never before equalled or witnessed in the gorgeous historical spectacle, "Mysterious India." Every act in the monster program is a revelation to the beholder. The finest specimens of horse-flesh in the world, the highest serialists in the circus profession, the champion riders both male and female, the finest specimens of the catnip ponies in the world, the grandest specialties ever exhibited; the funniest clowns on earth are with the Great Floto Shows.
