

MONEY SAVING PAINT

Money saving in painting doesn't mean the use of cheap-by-the-gallon paint. It means the use of first-quality paint—paint that will cover most surface to the gallon, that will spread easy and save the painters' time, that will wear well and put off for the longest time the need for re-painting.

THE SHERWIN-WILLIAMS PAINT

is a money saving paint. It covers most surface to the gallon because it is ground exceptionally fine and is thoroughly mixed. For the same reason, it spreads easiest and saves the painters' time.

It wears longest because it is made from the best materials, so thoroughly combined that they become inseparable, and hold together on the building for the longest time. When you buy The Sherwin-Williams Paint you buy economy. We sell it. Color cards free.

CONDEMNED MAN BLAMES CHILDREN

Vale Murderer Says Their Testimony Places Him in Gallows' Shadow.

Vale, Ore Sept 27.—"I feel that I have but little to live for, and I do not know whether I shall appeal from the decision of murder in the first degree or not," said Holliver Megorden yesterday in an interview. "My daughter Olive and my son Robert seem to want to wear my life away."

"Six months ago," continued the man who shot his wife and killed her in the full sight of his children last March at Nyssa, "I had a home and not an enemy that I knew of. Now I can call no one my friend except my attorneys."

"This would never have happened had it not been for the blow that my son Robert gave me before I committed the murder. When I received that I lost my reason and shot at both my wife and son."

"I may conclude to appeal in order

to ascertain the fact as to whether a man who once had no enemies could possibly now have no friends."

Megorden's attorneys have already filed a motion for a new trial and announce their intention of carrying the case to the supreme court. Megorden's defense is that he committed the deed in a fit of temporary insanity, brought on by a blow over the head from a small rifle in the hands of his son, Robert. The stock of the rifle was broken by the force of the blow.

It was shown in the evidence that it was while suffering and bleeding from the effects of his wound that he went for the revolver with which he took his wife's life. King and Brook of Ontario and Attorney Harris of Welsch conducted the defense. District attorney McCullough was assisted by F. L. Ryan of Payette, Idaho in the prosecution.

That is Different

If a newspaper devoted only a small fraction of its time to publicity of the shortcomings of the community in which it is published hands would go up in holy horror and there would be earnest solicitation to suppress this part of the daily news. On the other hand when a newspaper contains columns of matter laudatory of firms, individuals and public bodies no appreciation is manifested and there are those who would go out of their way to "knock" the newspaper whenever opportunity offers. These same individuals are the first, however, to expect consideration on the part of the newspaper when they find themselves mixed up in something not to their credit.—Baker City Democrat.

FOLEY'S KIDNEY CURE

Cures Kidney and Bladder Diseases in Every Form—Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood which is constantly passing through them.

When the kidneys are out of order the other organs are affected immediately and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order.

If you are sick **Foley's Kidney Cure** will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

How to Tell if You Have Kidney Trouble.
You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and **Foley's Kidney Cure** should be taken at once. **Foley's Kidney Cure** is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Doctors Said He Would Not Live.
Peter Frey, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. **Foley's Kidney Cure** was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."
