

### MONEY SAVING PAINT

Money saving in painting doesn't mean the use of cheap-by-the-gallon paint. It means the use of first-quality paint—paint that will cover most surface to the gallon, that will spread easy and save the painters' time, that will wear well and put off for the longest time the need for re-painting.

### THE SHERWIN-WILLIAMS PAINT

is a money saving paint. It covers most surface to the gallon because it is ground exceptionally fine and is thoroughly mixed. For the same reason, it spreads easiest and saves the painters' time.

It wears longest because it is made from the best materials, so thoroughly combined that they become inseparable, and hold together on the building for the longest time. When you buy The Sherwin-Williams Paint you buy economy. We sell it. Color cards free.

### You don't have to hire a Cab

The La Salle Street Station in Chicago, which is used by the trains of the Rock Island System, is located in the very heart of the city, less than a block from the Board of Trade; less than two blocks from the Post Office; within easy walking distance of the principal hotels, theatres and stores.

You don't have to hire a cab to reach them. The "union loop" is right in front of the station. Pay 5 cents, get aboard the elevated, and you are whisked to any part of town you wish to reach.

Let me give you other reasons why you should use the Rock Island System. There are lots of them.

### At A Standstill

Work on the artesian well has been suspended for the past weeks owing to a disagreement between the contractor and the company as to the terms of the contract. The well, is now down 867 feet and likes 137 feet of being down 1000 feet which the contractor calls for.

The contractor Mr Hunt states that he has passed through several veins of water but the largest is down 645 feet and appears to be about eight feet thick.

### Died

HAMMOCK—In this city Monday, October 1, 1905, Charles J Hammock, the five weeks old son of Mr and Mrs C E Hammock

The funeral was held this morning at eight thirty, at the family home in this city, the Rev E B Hays, pastor of the Presbyterian church officiating. The interment took place at the Summerville cemetery this afternoon.

Six youths of Sumpter walked to Baker City and there boarded a freight train and started to Portland and many other foreign ports. The parents however got on their trail, and a message to officer Childers permitted him to help the boys off the train as they reached this city, and he took them to the city jail and held them until two of the boys parents came down and escorted the youths back home.

The month of September shows that the fees turned in from the county clerks office were \$300, the largest amount in the history of the office. It shows further that there was more work in the office during the past month than any previous month for several years. County clerk Gilham, and his efficient corps of assistants got away with it all right and had everything up in perfect shape for the circuit court which is now in session.

### Insomnia and Indigestion Cured

### CATARRH A UNIVERSAL DISEASE

Catarrh usually begins with a cold in the head, but does not stop there. The mucous membranes all become inflamed and secrete a filthy, unhealthy matter which is absorbed by the blood and distributed to all parts of the body. The patient is then continually hawking and spitting, the nose is stopped up, the ears have a ringing or buzzing noise, the throat becomes sore, and as the unhealthy matter more thoroughly saturates the blood a general feeling of despondency takes possession of the system.

I had Catarrh for about fifteen years, and no man could have been worse. I tried everything I could hear of, but no good resulted. I then began S. S. S. and could see a little improvement from the first bottle, and after taking it a short while was cured. This was six years ago, and I am as well today as any man. I think Catarrh is a blood disease, and know there is nothing on earth better for the blood than S. S. S. Nobody thinks more of S. S. S. than I do. Lapeer, Mich. M. MATSON.

Local applications cannot cure Catarrh, because they do not reach the seat of the trouble. They allay the inflammation and temporarily relieve the disease, but as soon as they are left off the trouble returns. The only way to cure Catarrh is to treat it through the blood. S. S. S. soon clears the blood of all Catarrh matter and purges it of all irritating poisons, checks further progress of the trouble and completely cures the disease. S. S. S. keeps the blood in perfect order so that it can eliminate from the system all waste matter that will produce Catarrh. Nothing equals this great vegetable remedy in the cure of this disease. Write for our book and any medical advice you wish. We make no charge for either.
