Church and Lodge

What is the difference between the Church and Lodge? There are many who regard the ritual of the Lodge as furnishing all that is necessary in the way of worship and the teaching of the order sufficient for moral conduct. Consequently as the lodge room is more congenial to them than the church, they seldom attend and do not affiliate themselves with the latter. Much could be written on this subject but for now it is sufficient to mention only two points of difference which will show that the lodge cannot be a substitute for the church. The first concerns their origin, the second the ends for which they exist.

1. The lodge was founded by men but the church was founded by God. The one is from above the other from below.

The church according to the Scriptures stands for the family of God on the Kingdom of God as far as man is concerned, the church is coeval with his history. The Christian Church being but the development of the church in the garden of Eden. The church has existed throughout all ages and will exist for eternity. When a man dies he seems to be a member of a lodge, his responsibilities to it end, but not so in regard to the church, he is still a living member of the same, with duties to perform, influencing and being influenced by it.

2. Then in regard to the second point, the ends for which lodge and church exist.

The lodge stands for the brotherhood of man to promote especially this end, to bind men together in a fraternal union.

But the church stands first for the Fatherhood of God to bind men to God, and as a corollary to this the brotherhood of man follows. The church takes into consideration first the obstacles which separate man from God and prevent his realizing the fatherhood of the latter.

The great obstacle being sin, the Church is principally concerned at present in supplying the remedies for sin, that men may be saved from sin, and reconciled to God. The saving work of the church is only begun here and not completed in this world, therefore the mistakes which men make regarding its work, because they only see partial results. The perfected results will not be seen until the day of resurrection.

Thus it will be seen that there is a radical difference between church and lodge. Their origin and end being different the latter cannot take the place of the former. The man who thinks it can makes a mistake and is liable to miss the very end after which he is striving, because the brotherhood of man depends on the Fatherhood of God. No man can be truly a brother to man unless he is a son of God. Church and lodge should go together.

A Few Dollars Ahead

The board of directors of the Baker County Fair & Speed Association held a meeting last night in the offices of Butcher, Clifford & Corral, at which all bills for the holding of the recent fair and speed meet were audited and ordered paid. The books show that the receipts from the fair are slightly in excess of the expenses including the new stalls and other improvements made on the grounds.

A Wart or Pimple MAY BE CANCEROUS.

When a wart, mole or pimple shows any sign of tenderness it is a warning that bad blood is behind it. Often these places are on the face, hands, legs or other part of the body for years, and give no sign to cause uneasiness, and then with a little rough handling, a slight cut or bruise will develop into a sore that refuses to heal, and the sufferer finds himself afflicted with a cancerous ulcer.

About three years ago a blister came on the right side of my nose. It grew speedily in spite of all efforts to heal it up; the pain was not very severe at first, but increased when the sore began to inflame and discharge matter. At times the place would scab over and appear to be getting well, but the scab would drop off, leaving a red, angry looking ulcer. I had almost despaired of ever curing it, when my attention was called to S. S. S., and after taking a few bottles the sore began to gradually grow smaller, the discharge stopped and I was cured.

Owensboro, Ky. JNO. MASSIE.

If the blood is pure and healthy these sores cannot exist. S. S. S. is the ideal blood purifier. It cleanses the blood of all poisons and impurities, making it strong and vigorous and able to supply the body with the strength and nourishment it needs. There is nothing that acts so promptly as S. S. S., toning up the entire system, helping the general health and curing sores permanently. Do not let a wart or pimple develop into a cancerous ulcer, but purify your blood with S. S. S. It is nature's remedy, purely vegetable, and while driving all poisons from the blood, will build up every part of the system. Book on the blood and any medical advice desired will be given without charge, to all who write.
