

MONEY SAVING PAINT

Money saving in painting doesn't mean the use of cheap-by-the-gallon paint. It means the use of first-quality paint—paint that will cover most surface to the gallon, that will spread easy and save the painters' time, that will wear well and put off for the longest time the need for re-painting.

THE SHERWIN-WILLIAMS PAINT

is a money saving paint. It covers most surface to the gallon because it is ground exceptionally fine and is thoroughly mixed. For the same reason, it spreads easiest and saves the painters' time.

It wears longest because it is made from the best materials, so thoroughly combined that they become inseparable, and hold together on the building for the longest time. When you buy The Sherwin-Williams Paint you buy economy. We sell it. Color cards free.

FLOTO SHOWS WILL ARRIVE TOMORROW

Monday, Rain or Shine, the Grand Free
Street Parade will take Place

Monday the heart of the small boys and the likewise that of his Pa and his grown sister and his elder brother and last but not least his mother too, will be made glad by the grand circus parade. The Floto shows will arrive here tomorrow morning and mingled with the soothing sound of the church bells will be the gladsome racket of the great wagons and the chatter of the man faced monkeys.

Following is the program for Monday:

TIME TABLE FOR SHOW DAY

Here is the program for the day, which will be carried out in detail and the show people say strictly on time:

10 a m—The parade is due to reach the downtown business district. Drivers and teamsters are especially and politely requested to avoid this parade or have secure control of their horses.

11 a m—Free open air shows and opening of annex departments of the show grounds.

1 p m—Opening of the main entrance to the menagerie and big shows allowing one hour to view the animals and courts. Promenade band concert by Sig Zierke's combined band of sixty musicians.

2 p m—Grand Mysterious India spectacle and regular program. One hour to view the menagerie after the big show.

4:15—The specialty concert after the big show, introducing new features and the grand ballet, in novel dances.

4:30—Vallacita performs and feeds the big lions in a massive den in the annex.

7:00 p m—Opening of the main entrance to the menagerie and big show for the next exhibition. One hour to

view the menagerie. Film band concert.

8 p m—The night show begins. Grand Oriental pageant and Astello display enhanced by the electric lights and colored by fire, adding a more vivid and realistic hue to the gorgeous tournament pageant. The long program commences with Sugimoto's wonderful Japanese acrobatic troupe the finest in the world in case of inclement weather the waterproof tents insure perfect protection and comfort.

Capt Henry Amberg, the foreign animal agent for the Floto Shows, is now on his annual visit to the shows and tells interesting things.

"In New York alone there are ten firms dealing in wild animals to say nothing of the foreign dealers, the Hagenbecks, for instance, who send wild beasts here. The demand exceeds the supply by a wide margin. Nearly all the great cities in the country possess public menageries which constantly buy wild animals, quirkotic individuals frequently buy one of one kind or another, ranging from tigers to bears; many wealthy Americans maintain private zoological parks of greater or less extent, and the score of large circus companies must be constantly supplied because of the high death rate among their animals. The record of imports of the Floto Shows for the past year is: twenty elephants, twenty-five camels, twenty tigers, five lions, forty-five leopards, twenty pumas, eighteen panthers and any number of small animals and birds. There are enough wild animals now in the Floto winter quarters to stock a big show. All are never carried on the road, in case of accidents, fire, etc.

Japan's War Debt

Tokio, Oct 7—Former Minister Okuma, leader of the progressive party before the associate chambers of commerce today referring to the sudden expansion of Japan's finance said that when the withdrawal of troops is completed she will find herself confronted with a debt of \$1,350,000,000, the interest on which alone, roughly speaking, will be \$75,000,000 or nearly

twice the revenue of the country for ten years. The per capita rate of taxation before the war was \$2. Now it is \$6. The per capita share in the national debt before the war was \$6. It is now \$25. Count Okuma however, is not pessimistic. He spoke eloquently of the necessity of the business men redoubling their energy in the development of productive works of all kinds and thus securing victories in peace, as well as in war.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.
Mr. Robert O. Burke, Elmore, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 2-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefited.

Two Sizes, 50 Cents and \$1.00.
