#### An Announcement

After mature consideration, it has been decided by the management of the "Queen Esther" sacred opera, for the production of which preparation has been going on for some time, that, out of consideration for the meetings of the Presbyterian Synod to be held during the next three days, and respect for the many ministers who are and will be here from abroad to attend these meetings, the evening rehearsals for the opera will be discontinued for the remainder of the week. The next rehearsal will be held in the club gymnasium on Monday evening next, at 7:30 o'clock sharp, and all members of the cast and chorus are requested to be on hand at that time and hour for practice.
