

MONEY SAVING PAINT

Money saving in painting doesn't mean the use of cheap-by-the-gallon paint. It means the use of first-quality paint—paint that will cover most surface to the gallon, that will spread easy and save the painters' time, that will wear well and put off for the longest time the need for re-painting.

THE SHERWIN-WILLIAMS PAINT

It is a money saving paint. It covers most surface to the gallon because it is ground exceptionally fine and is thoroughly mixed. For the same reason, it spreads easiest and saves the painters' time.

It wears longest because it is made from the best materials, so thoroughly combined that they become inseparable, and hold together on the building for the longest time. When you buy The Sherwin-Williams Paint you buy economy. We sell it. Color cards free.

GREEKS CAUSE TROUBLE

Roseburg Oct. 13—Following the dismissal a few days ago of a Greek foreman employed in connection with a Greek construction gang on the Southern Pacific, trouble broke out among the Greeks, who demanded a reinstatement of the discharged man Foreman Peterstein refused to comply, and an insipient riot broke out. The Greeks, who numbered 53, became insistent, displaying firearms. No use of weapons was made till last night when they opened fire on the north bound overland. The mob then turned on the foreman and the firing became general. Peterstein retired to a private car, where he found the body of his wife, who was killed by a bullet. The killing is believed to have been done by a stray bullet. The crew of the south bound freight arrived at this time, and after desultory firing, during which one of the Greeks was wounded a measure of order was restored. Sheriff McCullen was accompanied with and a posse of fifty men, headed by a deputy, went to the scene and placed the Greeks under arrest. Thirty or forty revolvers were found in their possession. Word was sent to the sheriff, that owing to the character of the men it would be impossible for the peace authorities to control them, and they asked for militia which was sent to the place of the disturbance. The Greeks are now herded in a warehouse under military guard.

In an interview this evening Sheriff McCullen stated that unless some means were found to enforce a peaceable condition in the railroad camps, he will not be responsible for the acts of the people, and the feeling here is such that the placing of the militia in control is believed to be a matter of precaution for the safety of the Greeks against retaliatory acts on the part of the citizens.

Gammie Leaves

G G Gammie who for the past two years has been superintendent of the Union county state experimental station has severed his connection, and will leave this week for Portland. Owing to the failure of receiving the state appropriation which was held up by the referendum petition, expenses had to be cut. Most of the land has been rented to the Sugar factory and only one or two men will be kept on the farm for the present at least. Mr Gammie will be missed. He was a capable and thorough man to be at the head.

ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate

Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.

ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

Constipation.

ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.

ORINO Laxative Fruit Syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Biliousness and Sick Headache.

Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.

ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

OUR GUARANTEE

Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
