CHEAP MEAT

Is High at Any Price

Some meat markets may sell you a good looking piece of meat for a few cents cheaper than it would cost you at a reliable market and you won't know until after you have tried to eat it that you have been deceived.

We offer you the best meats that can be bought anywhere—the best that money can buy. We guarantee it and charge a fair price, which is cheaper in the end. You cannot get something for nothing, especially in meats.

We have everything in the market line that you can wish for.

CLOTHES CLEANED

The same old stand, but a new management. Take your suit to the same place, and have another man clean and press it the way it should be. Harvey does the cleaning and repairing and does it right. Another strong feature about his system is that his prices are correct.

Remember the place, next door to the Commercial club. Ladies and Gents clothing cleaned, dyed, pressed and repaired.

MEAT CHEAP

But not Cheap Meat

Having purchased the Bock & Thomas shops and also the Bull Market, we are in position, with the three shops, to furnish our patrons with choice meats at a less price than if we had only one shop. It is not our intention to raise the price of meats, but it is our intention to reduce the price, and thereby hope to increase our trade. A trial order will convince you of the assertion.
