

MONEY SAVING PAINT

Money saving in painting doesn't mean the use of cheap-by-the-gallon paint. It means the use of first-quality paint—paint that will cover most surface to the gallon, that will spread easy and save the painter's time, that will wear well and put off for the longest time the need for re-painting.

THE SHERWIN-WILLIAMS PAINT

is a money saving paint. It covers most surface to the gallon because it is ground exceptionally fine and is thoroughly mixed. For the same reason, it spreads easiest and saves the painter's time.

It wears longest because it is made from the best materials, so thoroughly combined that they become inseparable, and hold together on the building for the longest time. When you buy The Sherwin-Williams Paint you buy economy. We sell it. Color cards free.

A Broken Heart

The New York Empire Theatre company presents at popular prices, Friday evening October 20th. "A Broken Heart" It is different from the ordinary western drama, for the reason that it is not only bubbling over with the most delicious humor and permeated with delightful and natural sentiment, as tender as it is true, but at the same time the scenes and incidents, which are true to life, have been brought together in the most dramatic and effective manner. Those who have witnessed the production of the story say that the action is swift moving, carrying the interest of the spectator from one incident to another with, at times, bewildering rapidity, and then, just as a mountain stream, after dashing down a steep declivity, all roar and excitement, will suddenly rush into a sheltered nook, and then glide on with tender murmuring, so does the robust and melo-dramatic elements suddenly blend into the purest and most refined sentiment.

Tragic Story

It is now an assured fact that the beautiful sacred opera, "Queen Esther," will be ready for presentation on the evenings of Tuesday and Wednesday, October 24th and 25th. The principal solo parts are in abelian and the chorus is showing great improvement. No musical event has ever attracted so much attention or awakened so much interest among the musical people of La Grande as the coming production of this most beautiful of all the light sacred operas.

Night School

If enough pupils can be secured I shall open a night school in the central city upon the following plan:

I shall teach one subject one evening each week from 7 o'clock to 9, the first hour to be given to those beginning the subject. The charge will be two dollars per month for each subject. The subjects taught will be English Grammar, Arithmetic, Rhetoric, Literature or as many of them as there are classes large enough. Those who wish to enroll will please give their names to the Observer office, to Mr. F Kilpatrick or to myself.

THE FARMER REMEDY what he has previously sowed. The human body reaps likewise the natural crop of weakness, pain and death if the seeds of disease have been sown by bad habits of carelessness in eating, sleeping and exercising.

It is well, if you can and when you need a little help in keeping well use Nature's remedies, that do not roughly stimulate but gently quicken the action of Nature's functions in a natural way. Nature's laboratory furnishes the following plants which enter into the manufacture of Dr. Pierce's Golden Medical Discovery: Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot and Mandrake root.

If in doubt as to your trouble or needing advice, you can consult, free of charge, Dr. R. V. Pierce, chief consulting physician to the "Invalids' Hotel and Surgical Institute, Buffalo, N. Y. All letters are considered confidential and answers bearing correct medical advice returned in securely sealed envelopes.

"I suffered for nearly eight years," writes Philip A. Patch, Esq., of Mobile Ala. Deputy Sheriff, "with malaria, which ruined my entire system and deprived me of my vitality. I was cured in three months by using Dr. Pierce's Golden Medical Discovery. I know it was largely due to neglect and paid little attention to my trouble until I became so run-down and weak that I knew I had to do something at once to regain my health. I began to feel better within four days after I used the Golden Medical Discovery, and after using nine bottles I was restored to my usual health, feeling better than for years."

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Adviser. A splendid 1008-page volume, with engravings and colored plates. A copy, paper-covered, will be sent to anyone sending 21 cents in one-cent stamps, to pay the cost of mailing only, to Dr. R. V. Pierce, Buffalo, N. Y. Cloth-bound, 21 stamps.
