

MONEY SAVING PAINT

Money saving in painting doesn't mean the use of cheap-by-the-gallon paint. It means the use of first-quality paint—paint that will cover most surfaces to the gallon, that will spread easy and save the painters' time, that will wear well and put off for the longest time the need for re-painting.

THE SHERWIN-WILLIAMS PAINT

It is a money saving paint. It covers most surface to the gallon because it is ground exceptionally fine and is thoroughly mixed. For the same reason, it spreads easiest and saves the painters' time.

It wears longest because it is made from the best materials, so thoroughly combined that they become inseparable, and hold together on the building for the longest time. When you buy The Sherwin-Williams paint you buy economy. We sell it. Color cards free.

STATE LAND FRAUD

Salem, Ore, Oct 21—A T Kelliber of Chicago and H H Turner of Salem, who were jointly indicted on the charge of forgery in the state school land frauds, must stand trial. Judge Barnett this morning overruled the demurrer filed against the information charging them with forging a deed, but sustained the demurrer charging them with forging a contract.

The judge held that the forging of a name to a certificate of sale was forging a deed and upheld the information as a deed is named in the forgery statute.

The second information charging forgery for signing a name to an application to purchase the land and the court held was merely a declaration of purpose, and not a contract, thus sustaining the demurrer.

Last Night's Show

A good house and an enthusiastic welcome greeted the Empire Theatre company last night when "A Broken Heart" was presented. The play itself was hardly what the majority of theatre goers enjoy as a great deal of pathos was embodied in it but the players satisfied the most fastidious. Charles Mortimer, who is well known from having been here a week with the Mack Swain company, received a hearty greeting on his appearance again in this city. Alfred Brooks, as the Shakespearean tramp, was a whole show himself all of the way through and especially as a court witness Frank Clayton, as a lawyer and prosecuting attorney should visit a court room and learn that a lawyer never was known to address a judge while seated. Otherwise he carried his role very well. Elsie Graham as Marcelle the "bad woman," was especially strong and promise to be a favorite during the remainder of the company's stay.

Frank Dars as the deputy, should also visit a court room and learn that an officer does not hurry a prisoner in and slam him into a seat.

With the excellent company, the management should surely be able to find a more suitable play. Through the whole play the theme was crime and degradation. While the ending could be utilized as a powerful sermon but the average theatre goer desire a more happy amusement than viewing a play that speaks of the underworld and the crime incident to it.

Tonight the company will produce "The Favorite of Blue Canyon."

Good Investment

The street railways, telegraphs and telephone services, water and lighting plants, as well as other public utilities, of Osaka, Japan, are owned by the municipality. During the time the system had been in operation the city has received returns of 30 per cent on the investment.

Frightful Suffering Relieved.

Suffering frightfully from the violent poisons of undigested food, C G Grayson, of Luis, Miss, took Dr King's New Life pills, with the result," he writes, "that I was cured." All stomach and bowel disorders give way to their tonics, laxative properties. 25c at Newlin's drug store, guaranteed.

A HARD ROW

And a long pill describes the pathway of a woman who, under the care of a doctor who had had successful experience in the treatment of such cases or else has found the right remedy which can be used in a great many of the doctor's cases.

Five years ago, Dr. R. V. Pierce found the cause of their suffering and determined to devote himself to study and research till he found the real cause of their suffering and a better remedy for it. Dr. R. V. Pierce, and dug from Nature's Laboratory, the earth's Nature's remedies for woman's weakness and ailments. He found in Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root and Golden Seal root, the required ingredients.

The remedial virtues of these he extracted, combined and preserved by his own peculiar non-alcoholic, glyceric process, and the compound is now known as Dr. Pierce's Favorite Prescription.

"The wearing of corsets too tight seemed to have brought on an abdominal pressure, weakening the ligaments and resulting in displacement, which troubled me until I was not able to walk, and at times could hardly stand," writes Mrs. Beverly Strayhorn, of 124 Fulton St., San Francisco, Cal. "A neighbor advised me to try Dr. Pierce's Favorite Prescription. Before the first bottle was used I felt much better. Improvement went steadily on, and within four months I was like a new and well woman once more. I am now perfectly well and strong, and extremely grateful to you for your blessed remedy—a boon to sick women."

ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate

Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.

ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

Constipation.

ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.

ORINO Laxative Fruit syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Biliousness and Sick Headache.

Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.

ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

OUR GUARANTEE

Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
