

MONEY SAVING PAINT

Money saving in painting doesn't mean the use of cheap-by-the-gallon paint. It means the use of first-quality paint—paint that will cover most surface to the gallon, that will spread easy and save the painters' time, that will wear well and put off for the longest time the need for re-painting.

THE SHERWIN-WILLIAMS PAINT

Is a money saving paint. It covers most surface to the gallon because it is ground exceptionally fine and is thoroughly mixed. For the same reason, it spreads easiest and saves the painters' time.

It wears longest because it is made from the best materials, so thoroughly combined that they become inseparable, and hold together on the building for the longest time. When you buy The Sherwin-Williams Paint you buy economy. We sell it. Color cards free.

BURGLARS GET A RICH HAUL

Get \$6,000 From an Indiana National Bank

Scripps News Association
Ridgeville Ind Oct 24—Burglars this morning blew open the safe of the Ridgeville bank and secured \$6000. In the running battle with the bandits and a posse of citizens, the cashier and two of the robbers were wounded and for over an hour the town was at the mercy of the desperadoes who walked up and down the streets shooting at every thing in sight and apparently taking their own time in leaving. The first explosion occurred at one o'clock and did very little damage. The second was about fifteen minutes later and aroused R. C. Branson who ran to the street but as soon as he appeared one of the bandits picked fire at him and forced him to retreat to his house where he got a gun, and went to the home of the president of the bank Sampton and the two turned in a fire alarm. In the meantime the thieves opened the safe and secured the plunder by the time the citizens were aroused. All of the electric lights were turned on and the citizens attempted to surround the robbers who did not fear being captured but deliberately walked up the streets and shot out the lights. Cashier Branson received a flesh wound in the head.

There were seven in the party and all escaped but they were heard to say that Branson had hit two of them.

MINES PROVE RICH

J. E. Elmendorf, superintendent of the Woodley mines, is in the city this week. He reports a very satisfactory season's run as far as the showing of value is concerned, though the water supply was limited owing to the lack of snow in the mountains. The season's work took the form of a series of tests and these were all entirely successful. A force of men is now employed in running a seven hundred foot tunnel to tap the channel. When this is completed it will enable the ground in Tanner's gulch to be worked at a great saving over the present system. This tunnel will be completed by the time water appears in the spring. The Woodley mines will become a great factor in the upbuilding of this city as La Grande is the base from which all supplies must be drawn. The showing made by Mr. Elmendorf demonstrates beyond a doubt that the mines are rich and the value in the ground can be successfully saved and worked at a profit.

Feed Fewer Cattle

George Tinent, who was in town Saturday from Butter Creek, informed the Times that he does not think there will be more than half as many beef cattle fed on the creek this year as there were last. Many alfalfa growers will sell their hay owing to the low prices of beef.—Heppner Times.

THE LIGHT OF OTHER DAYS.

Not very many years ago alcohol was used for lighting in combination with other fluids under the name of "Camphene," but it suffered banishment because it was too dangerous. Alcohol is generally harmful when taken in the form of medicine, especially in a delicate system.

Dr. Pierce's tissue-rebuilding and function-strengthening plan of treatment is following after Nature's plan. It uses natural remedies, that is native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in the most exact proportions.

Used as one of the active ingredients of Dr. Pierce's Golden Medical Discovery, BLACK CHERRYBARK specially exerts its influence in cases of lung and bronchial troubles, and this "discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The names of the medicinal ingredients of this world-famous remedy are: Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot and Mandrake root.

"I have had such a wonderful experience with Dr. Pierce's Golden Medical Discovery that I do not hesitate to recommend it, believing it to be a wonderful medicine to build up the tissues of the system," writes Miss Bessie Brown, Secretary Emerson Literary Association, 426 Kerman Avenue, Appleton, Wis. "Worry and nervous troubles had completely run-down my health and strength; had no appetite, slept badly, and was in a state of nervous collapse. I took twelve bottles in all, and each week knew that I was getting better and stronger, until finally I was as well and strong as I had ever been. I have the utmost faith and confidence in your medicine, and wish to thank you for my good health, which is a blessing to anyone."

For 21 one-cent stamps to cover cost of mailing, you can get a free copy of the "Common Sense Medical Adviser," paper-covers; or cloth-bound for 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets should be used with "Golden Medical Discovery" whenever a laxative is required.

A Daredevil Ride

often ends in a sad accident. To heal accidental injuries, use Bucklen's Arnica salve. "A deep wound in my foot, from an accident," writes Theodore Schuele, of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica salve quickly healed it." Soothe and heal burns like magic. 25c at Newlin Drug company.

Frightful Suffering Relieved.

Suffering frightfully from the virulent poisons of undigested food, G. G. Grayson, of La Gr, Miss, took Dr. King's New Life pills, with the result, "he writes, 'that I was cured.' All stomach and bowel disorders give way to their tonic, laxative properties. 25c at Newlin's drug store, guaranteed.
