## CHILDREN TAKEN FROM THE MINES

Wilkesbarre, Pa., Oct. 28.—The new child labor law, which forces some 12,000 boys out of the anthracite mines went into effect this morning, and is to be rigidly enforced by the officers of the Mine Workers' union. It provides that no boys under 14 shall be employed outside the mines and no one under 16 inside. A recent investigation revealed the fact that of the 14,000 breaker boys at least half are between the ages of 10 and 14, and will be affected by the new law and forced from the collieries into the schools.

## Looted and Burned

New York, Oct. 28.—An incendiary Sunday destroyed the residence of Frederick H. Bugher, captain United States army, forming a part of the historic Ludlow case, where Admiral Dewey spent his honeymoon, at Oakdale, L. I.

According to a statement made by Mrs. Bugher, the mansion was looted and burned to cover up the robbery. She estimated the loss at more than \$200,000.

This is the second incendiary fire within a few days, in the exclusive colony of millionaires, and the latter are in a state of great apprehension.

## Brewery Fails

Kansas City, Oct. 28.—E. J. Eecker, of Kansas City, was today appointed receiver for the Imperial Brewing company, of this city, which owes about \$625,000.

The failure is due to the reform movement in Missouri and Kansas, according to A. B. Silverman, attorney for the company.

"There were many reasons for the failure," he says. "Most important of all, I think, was this wave of reform in Kansas City. It has been hard enough for the brewers in Missouri, but worse in Kansas. They are closing up the joints on the Kansas side and locking the saloons on the Missouri side on Sunday."

## Sealskin Market High

Victoria B. C. Oct. 28.—Sealers are elated over the prospects of a good price for sealskins on the London market this year. Captain Balcom of this city, operating vessels in the south Atlantic, has received word that the first skins marketed by him in London brought 25 per cent higher than last year. London controls the sealskin market and local dealers expect correspondingly good prices.

I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." Newlin's druggist, guarantees them at 50c.
