Czar's New Manifesto is Sweeping in its Reform

By Scripps News Association. St. Petersburg Oct 31—This morning the people have assumed a critical attitude towards the Czar's manifesto which indicates doubt as to whether the Russian people will accept the offer to keep the dynasty in power.

St. Petersburg Oct 31—It is unlikely that the strike will end until political amnesty is extended to all offenders. It is expected that this will soon be granted. Great crowds have gathered at the churches to give thanks for the manifesto.

MEET NEWSPAPER MEN
Witte today called a conference of all the editors of the newspapers of the city and asked their aid in restoring normal conditions. He is securing the confidence of the people in the new regime. He says he proposes to give the fullest measures of civil liberty.

Dispatches from Odessa say that the people arrested for rioting disorder of Sunday were released. The greatest disorder reigns and the police are powerless to preserve order. Red flags are waving and everywhere can be seen the funeral processions of those killed in Sunday's riots. A number of big demonstrations are planned.

DEMAND SUFFRAGE
St. Petersburg, Oct. 31.—Forty thousand gathered at the Kasan bath square this morning while the services were held inside and for the first time in the history of the church of Russia the word "Autoorat" was omitted from the prayer for the Czar. PRISONERS RELEASED
St. Petersburg Oct 31—Witte promises the immediate release of all political prisoners who can be released without danger to the public and peace.

DEMAND RELEASES
The revolutionists are determined to free all political prisoners. Several skirmishes with the troops are reported. In one of these Prof Turlo was wounded. The workmen are this afternoon parading the streets carrying banners. The houses are decorated.

AT DESSA
Odessa Oct. 31.—The people of this city did not learn of the Czar's manifesto until early this morning and are now wild with enthusiasm and the city wears a holiday aspect. The soldiers and the police have joined in the demonstration and it is expected that the strike will end immediately.

CONTINUES AT WARSAW

SENATOR MUST SERVE

By Scripps News Association
Sacramento Cal Oct 31—Judge Hart today denied Senator Edmunds a new trial and sentenced the convicted ex-senator to five years in San Quentin for bribery.

Weak from his recent illness and trembling with emotion the former senator and brilliant lawyer pleaded guilty to the crime of bribery. He stated that he was 46 years old, almost a physical and mental wreck and cannot again practice his profession. He asked to be sent to San Quentin instead of Folsom. Judge Hart refrained from severe criticism toward the defendant and expressed pity for the wife, but said that he could not make the sentence less than that which Senator Bunkers had received.

Mrs Edmunds sat by her husband during the ordeal, her face twitching with emotion but otherwise controlled herself. Grove Johnson applied to give bail in the sum of \$10,000 pending his appeal to the supreme court. The court took the matter under consideration until tomorrow.

Scottie in Trouble

By Scripps News Association
Los Angeles Oct 31—Scottie, the whirlwind miner is suffering greatly today as a result of an auto accident. It was the same old story he "couldn't wait", and greatly exceeded the speed limit. He says he will never ride in an auto again, and from what the doctors say, he is very near the trash. His limbs and body are completely incased in a plaster cast and the physicians say he is temporarily paralyzed. His wife who has always remained near him during all his madcap efforts to gain notoriety, is tenderly nursing him today. Officers say he will be arrested for violation of the speed law as soon as he is able to be taken to court.

President Arrives

By Scripps News Association
Washington, Oct 31—President Roosevelt arrived at the navy yard at 11:55 this morning. He was received by a salute of 21 guns and the band played the "Star Spangled Banner". Mrs Roosevelt was at the wharf with her phantom. The President drove with her to the White house followed by secret service men in bugles. Then came the Loeb and Hixey carriages. The President appeared to be in excellent health. A wire from the West Virginia says he spent the most of the day on the bridge. The trip from the mouth of the Mississippi was made in three days and ten hours breaking all records in spite of a stormy passage.

Secretary Loeb says that the President was a trifle sea sick during the gale Sunday night but remained on deck and broke bread with the officers on the squadron. The admiral invited them aboard in relays until it had been honored.
