La Follette's Way

In the Wisconsin no state tax will be levied this year, and the taxpayers will save \$1,125,484. There is enough money in the general fund for all expenses. The total amount of taxes which have been remitted under the administration of Governor La Follette, for the past three years is \$3,010,624. This was brought about by Governor La Follette's compelling all property to bear its just proportion of the taxes.

Better Condition

E. J. Emmons, a state senator in California has been convicted and sentenced to five years' imprisonment on the charge of receiving a bribe in connection with an investigation of building and loan associations. The incident is suggestive of the better sentiment now prevailing in the community and which will not let the man in a prominent position escape the penalty of his crime.—Spokane Review.

"Courtship In Japan"

Last night's performance by the Zinn Travesty company pleased a well filled house. It was funny from start to finish, and the courting by the ardent Irishman and the indifferent dude was very amusing. Tony West as Flanigan was exceptionally good and his songs brought on encore after encore. Horace Mann as Tipu Khan sustained his role well as a happy Japanese father who was anxious to rid himself of his daughters. The singing and dancing by the chorus was also good and the ballet maids received many recalls.

Tonight the company will present "The Beggar Prince," a musical comedy and Mile Venita will appear for the first time in her famous jewel dance.
