## Cured After Physicians Said He Had Consumption.

E. H. Jones, Pastor M. E. Church, Grove, Md., writes: "About seven or eight years ago I had a very severe cold which physicians said was very near pneumonia, and which they afterwards pronounced consumption. Through a friend I was induced to try a sample of **Foley's Honey and Tar**, which gave me so much relief that I bought some of the regular size. Two or three bottles cured me of what the physicians called consumption, and I have never had any trouble with my throat or lungs since that time."

Three sizes—25c, 50c, \$1.00. The 50 cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

## Woodmen Welcome Head Consul Boak

Nearly two hundred choppers assembled last evening at the Commercial club to welcome Head Consul I. I. Boak. After listening to a selection by the Thomas orchestra, and a solo by Mr. Sherwood Williams, Hon. J. W. Knowles delivered the address of welcome, and in course of his discourse paid a high tribute to Woodcraft. He was followed by a solo by Mrs. J. J. Carr. Head Consul Boak then responded to the address of welcome, and he, too, presented the merits of the Woodmen of the World in a clear light. His address, while dealing with facts, was delivered in a style both entertaining and interesting. His address was followed by a solo by Mr. C. P. Ferrin, after which the orchestra rendered another selection.

Then an informal session was held and all went home well pleased with the meeting.

Consul Boak said in part in speaking of the growth and financial condition of the order said:

"We have nearly 95,000 members in the Pacific jurisdiction and 400,000 in the three jurisdictions. We have paid out \$6,000,000 in this and \$22,000,000 in the three jurisdictions, and we have \$1,000,000 in reserve in this jurisdiction, and all this in 15 years; the growth of the order has been phenomenal.

"I am here to keep a pledge made by Neighbor Falkenberg before his death, to get 100,000 members in this jurisdiction. Our credit is unlimited."

## O. R. & N. FILED SUIT

Tomorrow the Oregon Railroad and Navigation company will file a suit in equity in the circuit court of this district for the purpose of showing that the assessment of \$12,000 per mile upon their roadbed is unjust. Ever since the compromise proposition presented the county court by the railroad was turned down, it has been expected that a suit would be started by the company. However, the first definite news came today in the shape of a message from the legal office at Portland to Col. Raley, saying that the papers for the suit will be here tomorrow.

With the filing of the suit in equity will commence another chapter of the legal war that has been waged for the past year or more between the railroad company and the county and in which the latter has been signally successful so far. What the outcome of the coming fight will be remains to be seen. It is barely possible that the matter may be adjusted without having the case tried.—East Oregonian.

### Gap Bridged

S. R. Haworth has let the contract for the construction of a cement sidewalk in front of his brick on Adams Avenue which will complete the sidewalks from Fir street to Grand Avenue. The sidewalk which was left unbuild has been a menace to pedestrians and an eyesore to the street, is commendable in Mr. Haworth to complete the walks in compliance to the city ordinance.

### Saved By Dynamite

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe, for sale by Nevlin Drug Co. Price 50c and \$1.00; guaranteed. Trial bottle free.
