**SSS, OUR RECORD**

With medicines as with other things, the surest test of worth is the length of time they have the confidence of the people. The efficacy of S. S. S. has been thoroughly proven by experience, and so successful has it been that today it is the best known and most widely used blood remedy in the world. For diseases such as Rheumatism, Catarrh, Scrofula, Skin Diseases, Sores and Ulcers, Contagious Blood Poison, and other troubles due to an impure and poisoned condition of the blood, no remedy acts so promptly and thoroughly as does S. S. S., and thousands throughout the country, cured of such diseases, are daily recommending it to others similarly afflicted. **ITS FORTY YEARS OF EXISTENCE HAVE BEEN FORTY YEARS OF CURES.** S. S. S. is a blood purifier of the highest order, containing properties necessary to cure blood troubles of every character, and which make it the greatest of all tonics. It goes into the blood and drives out any and all impurities, and makes this stream of life strong and healthy, and when this is done disease cannot remain. Being made entirely from roots, herbs and barks, chosen for their healing, purifying and building-up properties, it does not injure any of the delicate organs or tissues of the body as do those medicines which contain Potash, Mercury, Arsenic or other harmful minerals, but cures safely as well as permanently. S. S. S. reaches deep-seated and inherited cases on which the ordinary Sarsaparillas and tonics have no effect. It is no experiment to use S. S. S.; it is a remedy with a record; it has proven its worth and ability by its forty years of cures. If you need a blood remedy begin the use of S. S. S.; write us about your case and let our physicians advise you and send book on the blood; no charge for either.

**Secured Money On  
 Worthless Checks**

Baker City, Nov. 3.—Last evening acting on a description sent from La Grande Officer Merrill arrested a man giving the name of James Vail. Vail is wanted in Union for passing three worthless checks on M. H. Woodard of that city. The checks were written for \$60, \$10, and \$10 respectively. Without suspecting anything wrong Mr. Woodard cashed the checks, but later upon presenting them at the bank, he found them to be no good. The police of La Grande were at once notified and set about to capture Vail. They found that soon after getting the money Vail had left town coming toward Baker City, and word was at once sent to all the authorities in the neighboring towns to be on the lookout for him. Officer Merwin finally located him from his description, and placed him under arrest. This noon

Mr. Woodard and Sheriff Phy arrived from La Grande and I identified their man.

When Vail arrived in town yesterday it seems that Vail thought himself safe from capture, for he at once set about to work the same game on the merchants here. Shortly before his arrest last evening he entered Heilner's grocery store on Front street and cashed a check on the First National Bank of this city for \$10.

Nothing was thought of the matter at the time, but this morning a closer inspection of the check led Mr. Heilner to believe that the check was worthless and upon presentation at the bank his suspicions were confirmed.

Vail is in the city jail, but will no doubt be turned over to the county authorities and an investigation made into his case.

**ON THE FARM.**

There's many a successful business man who sits in his city office and lets his mind slip back to his boyhood days on the farm. How good it felt to live! What an app... he had! How good everything (as...!) How sound his sleep was! How eagerly he rose with the sun and raced with him through the long day. And now he's a successful man. But he can't sleep. He doesn't enjoy his food. His stomach is weak, his nerves are shaken, and he no more rises with the sun to race eagerly against him. His vitality is low and now and again his heart seems to plunge in his breast as if it would break loose. That's the price he has paid for success.

The mischief of the whole business is that he buys "tablets" of one sort or another to "aid" his digestion, and indulges in bromides and other "nerve stimulants," just to hold himself together, and wonders why he seems to be getting worse.

The whole trouble with such a man generally lies in what is called a "weak" stomach. The food he eats does not nourish him because it is only partially digested and assimilated. No man can be stronger than his stomach, because it is in the stomach and allied organs of digestion and nutrition that strength is made from the food which is eaten.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores the strength of the body in the only way strength can be restored, by food which is perfectly digested and assimilated, when the diseased stomach (with its allied organs) is cured of disease. It is a blood-making, body-building medicine, inasmuch as blood is made from food and the body is built up by blood. It is not a stimulant, containing neither alcohol or any other narcotic.

**NO OTHER DOCTOR FOR ME.**

"Last spring, early I wrote you my feelings and condition," says Mr. A. J. Vanderwater, 8 West Division Street, Chicago, Ill., "and you advised me to take Dr. Pierce's Golden Medical Discovery (a few bottles, and then write you how I felt. I am happy to say I am getting to feel fine. In all I have taken six bottles of the 'Discovery' and four or five vials of the little 'Pellets.' They have done me worlds of good. All my friends say 'Vanderwater, how well you are looking.' 'What in the world have you been doing?' I tell them I have been doctoring with Dr. R. V. Pierce, of Buffalo, N. Y. 'Why they say, you haven't been there?' 'No,' I say, 'but I took his 'Golden Medical Discovery' and his little 'Pellets.' These medicines wrought the great change in me. From a slow and sick all the time, and could do no work to a man who can work, sleep, eat, and feel fine, and that tired feeling is all going away from me. I feel young as I did at thirty years. I am very thankful that I wrote to Dr. Pierce. His 'Golden Medical Discovery' and his little 'Pellets' have almost made a new man of me. I feel young as I did at thirty years. No other doctor for me, only Dr. Pierce."

**HAD GIVEN UP HOPE.**

"I will express my thanks to you for the kindly advice you have given me in regard to my case," writes Miss Carrie J. Wharton, 9 Duaneville, Spotsylvania Co., Virginia. "When I wrote to you last spring I was in a terrible state of health. Had given up all hope of ever being better. I spit up my food all the time and it seemed sore, vinegar. I would have had sick headaches every other week; in fact my head never felt clear, and I was perfectly broken down under the strain of losing my foot constantly. I had read a great deal in your books of what your medicine had done for others, so I wrote you and got your advice. I bought two bottles of 'Golden Medical Discovery' and the first dose I took I felt better. When I had finished taking the two bottles the spitting up had entirely stopped and my head was much better. I thank you for your medicines as just what you have said of them."

"I carefully read the books you sent me and shall always speak a good word for the 'Golden Medical Discovery' whenever I have a chance to do so. You can publish this if you think it worth while. It might induce some one else to try your medicine who was suffering as I did. It was by the testimonials of others that I was induced to try it. I shall always rely upon your advice and feel safe to do as you tell me."
