\$1000 FOR ROCK DRILLERS

El Paso, Tex., Nov. 8—Colonel W. C. Greene, of New York and El Paso, the noted copper miner and millionaire, has wired a draft for \$1000 for first prize in the rock drilling contest to be held in this city during the meeting of the American mining congress, November 14 to 18.

The committee in charge of the contest has reduced the entrance fee from \$50 to \$30, and with the first prize increased from \$800 to \$1,000, it is expected that the list of entries will be large.

Already entries have been made from Canada, Mexico; Tombstone and Bisbee, Arizona; Tonopah and Goldfield, Nevada; Cripple Creek, Colorado, and several places in Sonora.

The best drillers in the country will contest for the prize and attempt to make new records. The world's record was established here two years ago and has never been broken.

Fine Horses

O. L. Thiesler and son, importers and breeders of Percheron horses and Short-horn cattle, arrived in this city yesterday with a car load of horses, enroute to Colfax, Washington. The car contains ten animals, including three standard bred horses and three Shires. The Thiesler stables are located at Chapman, Kansas. The stop here was made simply to allow the animals to rest, as they had been on the road exactly two weeks, and were becoming tired and restless. The car used for their transportation is what is known as a palace stock car, and from its splendid fittings and arrangement for the comfort of the stock, is certainly rightly named. O. L. Thiesler Jr., will be made a member of the firm the first of the year, and then the firm card will be O. L. Thiesler & Son. The horses are all very fine, and the stockmen of Colfax will certainly be well pleased with the importation.

Lost Boy Outwits Wolves

Duluth, Minn., Nov. 8—Edward Erickson, aged 14 years, of Bovey, was lost two days and nights in the forest. Two hundred searchers were beating the woods to find him when he arrived, nearly ready to drop from exhaustion, and with his feet frozen. Wolves got on his trail and he waded along the shore of a lake for a mile to throw them off the scent.
