**CLOTHES CLEANED**

The same old stand but a new management. Take your suit to the same place, and have another man clean and press it the way it should be. Harvey does the clean- and pressing and does it right. Another strong feature about his system is that his prices are correct. Remember the place, next door to the commercial club. Ladies gents clothing cleaned, dyed, pressed and repaired.

W. E. HARVAY.

**Maro, the Magician**

The Commercial Club is to be congratulated on the excellent entertainment given last night under its auspices given by Maro, the magician, and his three assistants. Maro is certainly an artist, magician, and musician. He kept his audience mystified by his magic and his performances were marvelous. As a musician he is without peer and his renditions of popular airs as would have been written by the famous composers was very amusing.

Maro's pictures are wonderful. Easel upside down and with a few strokes he produces masterpieces in art. Hindoo magic as practiced by the fakirs of India was also mystifying. On account of the lack of heavy fuses in the electric light system Maro gave but one shadowgraph and judging from that one the others would certainly have been amusing.

If the Western Lyceum Bureau ever has Maro play a return date there is no doubt but what a larger audience will witness his feats of mystery.

**MAKES WEAK WOMEN STRONG AND SICK WOMEN WELL.**

Forty years ago, Dr. Pierce searched Nature's laboratory for a remedy with which to supplant the ignorant and vicious methods of treatment, with alcoholic stimulants, then in vogue, and still too commonly prescribed and advised for woman's peculiar ailments.

Nature abounds with most efficient remedies, and in Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root and Golden Seal root, Dr. Pierce found medicinal properties, which when extracted and preserved by the use of chemical pure glycerine, have proven most potent in making weak women strong and sick women well. It contains no alcohol; is not a "patent medicine," nor a secret one either.

"I was suffering with nervous headache, pains in the back and dizziness, so that at times I had to lie down for hours before I could raise my head," writes Mrs. Mary M. Thomas of 27 Winston Street, Los Angeles, Cal. "After taking the first bottle of 'Favorite Prescription,' however, I was so pleased with the results that I kept on taking it until I was restored to health and strength. I shall never be without this great medicine, and shall take a few doses when I do not feel strong."

One of the principal uses of Dr. Pierce's Favorite Prescription is the preparation of prospective mothers for the time of trial and danger that comes when a child is born. The "Prescription" is strengthening and invigorating and lessens pain and danger. It insures the perfect well-being and the perfect health of both mother and child. Every woman should know these things before she really needs to know them. There are many things in Dr. Pierce's Common Sense Medical Adviser, that every woman ought to know. This celebrated work reached a sale of 600,000 copies at \$1.50 each. The expense of production having thus been covered, it is now being given away. A copy will be sent to any address on receipt of 31 one-cent stamps to cover cost of mailing only, or, in cloth binding for 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

**AT THE OPERA HOUSE**

EXCELLENT COMPANY

Jules Murry's excellent company, including Miss Alice Johnson, well remembered in this city through her appearances on the local stage in connection with some of the best entertainments we have ever had, is booked to appear at Steward's Opera House on Wednesday, Nov. 15, in "The Marriage of Kitty," the sprightly, wholesome comedy which has made one of the biggest and most sensational hits of this and last season wherever presented. Every detail of this dainty comedy has won the highest praise from educated theatregoers everywhere. It is splendidly cast this season and its wit, humor, satire and repartee give entertainment and amusement in fuller measure than any other traveling organization. It is an even, satisfactory performance, that will surely be enjoyed by all classes of theatregoers.

**WHEN KNIGHTHOOD WAS IN FLOWER**

"When Knighthood was in Flower" as a stage production is a complete success. The events follow the scenes of the novel more closely than the casual reader would have thought possible. The story is as clear as every line written in the book were spoken by the characters. From the opening scene in Windsor Park until the curtain drops on the final union of Mary Tudor and Charles Brandon, Charles Major's book is before the audience. In short, the dramatization is conceded to be better than the novel, a fact which is seldom encountered. And in Rosella Knott, who portrays the charming Tudor madcap princess, the audience sees Mr. Major's delightful heroine stepped from the pages of fiction and vivified in a most convincing manner. Steward's Opera House, Monday, November 20.

**GEORGIA MINSTRELS**

Richards and Pringle's Famous Georgia Minstrels continue to do business everywhere and it is likely to do the same in this city at Steward's Opera House on Tuesday, Nov. 21, for there is a fascination about the fun and music that will draw the people to the theater many times. The "Georgias" have reached the comfortable stage where the main thought of the management is on the frills, the public having the assurance that they like the show. The performance given by these "sons of Ham" gained its vitality with the introduction of something new each season, and this their 28th annual tour, a program of novelty is promised of unusual excellence. The usual parade will be given at 11:50 a. m.

**A Creeping Death.**

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 26c at Newlin's Drug Store.

L. L. Chatwood and A. P. Sprague, well known residents of Elgin, are in the city today.
