Saved By Dynamite

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Galhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe, for sale by Newlin Drug Co. Price 50c and \$1.00, guaranteed. Trial bottle free.

SOCIETY

MISSION SOCIETY

The Mission Society of the Presbyterian church met at the home of Mrs. Eakin on P. street, Friday, Nov. 10. The subject for the afternoon was Korea. Mrs. Kirk as leader. Mrs. Borey read a well prepared paper on Christianity in Korea. Mrs. Ramsey's talk on Consolidation of Mission forces in Korea was very interesting and instructive. The vocal solo by Mrs. Martin was highly appreciated by all. Refreshments were served in the dining room. The guests from Union were Mesdames Townley, R. Brown, Foster, E. J. Davis, C. E. Davis, E. J. Cooper, Seibird, and R. Smith.

MAY PARK LADIES ENTERTAINED

The crowning success of the Busy Bee Club was reached Wednesday afternoon when Mrs. Sherwood Williams entertained.

The cozy parlors were most artistically decorated with autumn foliage. The afternoon entertainment consisted of a program and two contests, each one of which carried out the idea of autumn. First prizes were awarded to Mrs. Riddle and Mrs. Dawson and consolation prizes to Mrs. Carroll and Mrs. Smith.

At half past four the guests were called into the dining room where a rare treat awaited them. The dining room and tables were festooned with vines and yellow crepe paper, which indeed presented a novel appearance. The luncheon consisted of bread and butter sandwiches, Boston baked beans, pumpkin pie with whipped cream and delicious coffee. After partaking of this delicious luncheon, the guests departed, declaring Mrs. Williams a most charming and original hostess.

SURPRISE PARTY

It is not only the young folks who delight in taking people by surprise, but the older people as well. This was fully demonstrated last evening, when a number of Mrs. Harding's friends entered the house and practically took possession for a few hours. Numerous baskets, filled with good things were brought forth at the proper hour and all enjoyed the generous spread.

Strike Ends

(Scripps News Association)
Seattle, Nov. 11.—After a long strike lasting since the first of May of this year, the Northwestern Brewers Association and the striking brewers signed an agreement at noon today. Although neither will discuss the matter it is positively known that the strikers won every point, including the eight hour day, a closed shop and the employment of union men only, in the future.

Slaughter Deer

It is reported from the Cheshnum forest reserve that the Indians are slaughtering great numbers of deer in that section. They procured four licenses from the county clerk and it is claimed that at least forty of them are hunting by virtue of those licenses. A deputy game warden will be appointed at once and it is probable that the "children of the forest" will reluctantly contribute to the school fund of the county. There is a suspicion abroad that a great many "pale faces" are as guilty as the red skins. —Lustine Democrat.

For Good Roads

The county road roller has begun work between Pendleton and the poor farm. There are four roads leading into Pendleton which it is proposed to macadamize for some distance.
