Stamp Mill For Grande Ronde Mines

Mr. Ward, who is largely interested in the Muir mine up the Grande Ronde river, passed through the city a few days ago and said that the company was preparing to erect a mill on its property, with a capacity of thirty tons per day. Mr. Ward is more than pleased with their new purchaser. They estimate that they have ore in sight to the value of \$150,000, quite a portion of which is now on the dump. He is also placing orders for 50,000 feet of lumber for the construction of suitable buildings at the mines. This enterprise will assist greatly in the development of this district as this mill will permit practical test of other properties.
