**IT DRAWS HARD**

On a woman's vitality to do work for which she is unfitted, and we wonder how some of our land live through a single season of pleases or disipation. They will cry with tears in their eyes, when they mention the subject at all, "It is a hard pull," that with pain, weakness and weariness they are "almost dragged out." Many in this condition, resort to alcoholic stimulants and "invigorants," the after effects of which are very injurious.

Dr. E. V. Pierce, forty years ago found that women were being mistreated through ignorance or carelessness and determined to devote his life and energies to their relief. Having found the cause of their suffering, he next sought for the means of relief, and found in Nature's laboratory—the earth, certain roots which had remarkable and valuable medicinal virtues for the cure of these ailments.

Using chemically pure glycerine, of proper strength instead of alcohol, he prepared extracts of these, and the result was so satisfactory that the combination became his "Favorite Prescription." The roots used are: Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root and Golden Seal root. The world knows it as Dr. Pierce's Favorite Prescription, which has the wonderful and unparalleled record of a half-million of cures in the last forty years.

Write to Dr. Pierce, Buffalo, N. Y., for advice, given without charge. "I am glad to be able to testify as to the merits of Dr. Pierce's Favorite Prescription for the many ills that women suffer with," writes Miss Gertrude Mitchell, President Young Ladies' Christian Endeavor Society, 43 Columbia Street, E. Detroit, Mich. "After many years of suffering and pain, I took your medicine, and in a short time began to feel stronger, became more regular, and did not have the bearing-down pains which had been my lot for so long. I shall never cease to be very grateful that it was brought to my notice. My mind and feet much stronger generally." Dr. Pierce's Tablets cleanse the sluggish system from accumulated impurities.
