AMUSEMENTS

DATED TO APPEAR HERE

The tone of criticism employed in discussing Charles B. Hanford's productions differs in a marked degree from that customarily used in connection with Shakespearean plays. It has been Mr. Hanford's studious endeavor to present Shakespeare with the same enthusiasm and sprightliness that a manager and actor brings to the performance of a new play by a modern author, observing every detail and taking advantage of every possible opportunity for scenic display and dramatic impressiveness. This spirit has been promptly recognized by writers upon stage topics and has been greeted with the most approving comment. Mr. Hanford has fully demonstrated that no tradition worth preserving need be violated in order to give a production vivid modern interest.

GEORGIA MINSTRELS

You cannot judge a book by its cover nor a minstrel show by its announcements. The title of the organization is insignificant. Richards & Pringle's Famous Georgia Minstrels is a trade-mark that insures nothing but the best. They will be seen at Steward's opera house Tuesday Nov. 21, one evening in an entirely new program throughout and a company made up of the best negro talent in the wide, wide world.

The parade will be given as usual at 11 a. m.

REALLY GOOD

Mary Tudor in "When Knighthood Was in Flower" is one of Roselle Knott's most charming characterizations. It brings into clear relief all her best attributes as an actress (and they are by no means

little ones.) She passes with ease from the joond spirit of irrepressible and care-free girlhood to the deeper note of the woman aroused by love to a subtler knowledge of herself and to some appreciation of the solemn meanings of life. She has never exhibited a merrier talent than that which she employs in expelling Mary's raging temper; and nothing that she has done in the way of comedy compares in effectiveness, variety and many-sided charm with this superb study of the Tudor Princess.

Dated at Island City this, the 6th day of November, 1905. JOSEPH ANSON.

There is to-day a crying need of a reformation in the treatment of the body. The basis of this reformation is to be found in the thesis of Dr. R. V. Pierce: "Diseases which originate in the stomach must be cured through the stomach."

In the forty odd years of Dr. Pierce's experience as chief consulting physician to the Invalids' Hotel and Surgical Institute in Buffalo, N. Y., he has treated more than half a million people, with a record of ninety-eight cures in every hundred. The theory held by Dr. Pierce is that the stomach is the chief breeding place of disease, is abundantly borne out by the success of his treatment which is addressed primarily to the stomach and other organs of digestion and nutrition.

No other medicine acts so powerfully and as perfectly on the stomach and

as Dr. Pierce's Golden Medical Discovery. Men and women afflicted with shortness of breath, heart disease, suffocation, dizziness, spots before the eyes, "liver pains," and similar ailments have been promptly and perfectly cured by the use of "Golden Medical Discovery."

Miss Lavilla Bonine, Curator Natural History Society, of 408 Lawrence Street, West, Lansing, Mich., writes: "I suffered with chronic dyspepsia for nearly seven years, and this caused me to grow very thin and pale, at the same time my blood became poor and I was so nervous and unstrung that I was unable to attend to my daily duties. Heart was also affected and fluttered at the least excitement. I spent a lot of money doctoring and found no relief until I took Dr. Pierce's Golden Medical Discovery. It certainly is a wonderful medicine. It toned up my stomach and I began to have a splendid appetite, had no trouble with my digestion, and I began to pick up and get strong; soon new, rich blood flowed in my veins, and I once more felt the beauty and joy of life. I have now enjoyed perfect health for a year, thanks to Dr. Pierce's Golden Medical Discovery."

ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate
Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.

ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

Constipation.

ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.

ORINO Laxative Fruit syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Billiousness and Sick Headache.

Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.

ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

OUR GUARANTEE

Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
