AMUSEMENTS

TO-NIGHT

An almost forgotten fact in the life of Mary Tudor, Duchess of Suffolk, is that she was the grandmother of the ill-fated Lady Jane Gray, who was a nine days queen of England. The Princess Mary Tudor's marriage to Charles Brandon, the Suffolk squire whom King Henry the Eighth made Duke of Suffolk, was a prolific one, and her daughter Frances, like her sisters, married one of the most powerful noblemen in England. He was Henry Gray, earl of Dorset, and father of Lady Jane. Had Jane been content with the simple routine of country life there is no doubt she would have saved her head and lived to a good old age, as did her grandmother, who was the happy wife of Brandon for over twenty years. Of course, Rosella Knott depicts Mary Tudor, in Kane, Shipman and Colvin's great production of "When Knighthood Was in Flower" as she was in her early youth, but it is nevertheless interesting to know that after all her sorrows, sacrifices and adventures she was rewarded with more than the average share of peace and contentment.

ROSELLE KNOTT

Miss Roselle Knott, who is on her first tour of the west, arrived here late last evening with her company. Miss Knott is known here only by her great reputation and it is with interest that we await the arrival of so famous an actress.

This morning Miss Knott told the Observer that she considered her western trip as a delightful experience.

"At first," she said, "I rather dreaded to bring my rich costumes and dresses so far away from New York. The costuming of my company represents a small fortune; and I feared that it might be damaged in some way; but I find that everything is as well if not better than in the east. The only difference in the traveling is the glorious air out here.

"I enjoy playing to western audiences very much. They appreciate and understand dramatic worth and the welcome they have extended to me and to the play 'When Knighthood Was in Flower' is very gratifying."

Miss Knott went on to speak of the scenery of which she is very proud. Most of it was painted from scenes in England and it is historically correct.

TUESDAY NIGHT

Don't make the mistake of the old proverb, "Don't wait until the horse is stolen before putting a lock on the stable door," don't wait until after Tuesday night, Nov. 21, which is the date of Richards & Pringle's Famous Georgia Minstrels, and then say, "I wish I had gone, as everybody said it was so great." Go and buy your tickets right now and be right. All the good things in minstrelsy will be served in a palatable manner. The parade will take place at 11:50 a. m.

The Exact Thing Required for Constipation

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for the children and without that terrible griping so common to most purgatives," say R. "THE SIGNAL"

RHEUMATISM

AN INSIDIOUS DISEASE THAT BREAKS DOWN THE STRONGEST

Rheumatism does not come on in a day; the causes that produce it work silently in the system for years. This insidious disease becomes entrenched in the blood, and some exposure to cold or damp weather, or a slight indiscretion brings on an attack. Poor digestion, stomach troubles, weak kidneys, torpid liver, and a general sluggish condition of the system are responsible for Rheumatism. Food souring in the stomach poisons the blood, the failure of the kidneys and liver to act properly leaves waste matter and impurities in the system, which, coming in contact with the natural acids of the body, form uric acid. This is absorbed by the blood, and as it penetrates to the muscles, nerves and bones produces the terrible pains and aches and other disagreeable symptoms of Rheumatism. Life is made a torture by its excruciating pains, nerves are shattered, the health undermined, and if the disease is not checked it breaks down the strongest constitution. It will not do to depend on plasters, liniments, etc.; such treatment is helpful in easing the pain and reducing the inflammation, but does not reach the blood where the real trouble is located. S. S. S. cures Rheumatism by purifying and invigorating the thin, acid blood, driving out all impurities and poisons and sending a stream of strong, rich blood to wash out all irritating particles that are causing the pain and inflammation. S. S. S. stimulates the sluggish organs to better action, tones up the stomach and digestion, restores nervous energy and builds up the entire health. S. S. S. cures Rheumatism, whether acute or chronic, and the cure is thorough and lasting. Book on Rheumatism and any medical advice desired without charge.
