LA GRANDE SCHOOL OF MUSIC

PROF. DAY, PRINCIPLE MRS. DAY, ASSISTANT.

This is one of the best musical in-institutions in the state, and that people in this city and valley are beginner to discover the advantage of this school. The system is the latest and most practical, and in-cludes all the latest discoveries in the art of teaching music. The school is divided into two depart-ments; No. 1 is for beginners from school is divided into two departments; No. 1 is for beginners from 5 years or more and are taught the first three grades. Pupils come ane hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 2 to 5. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.

Terrific Race With Death.

Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life, I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Newlin's Drug store; price 50c.

Saved By Dynamite

Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on se long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun. Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe, for sale by Newlin Drug Go Price 50c and \$1.00; guaranteed. Trial
