Saved By Dynamite

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe, for sale by Newlin Drug Co. Price 50c and \$1.00; guaranteed. Trial

The Exact Thing Required For Constipation

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for the children and without that terrible griping so common to most purgatives," says R. S. Webster & Co., Udonia, Ontario, Canada. For sale by Newlin Drug Co.

AMUSEMENTS

TUESDAY NIGHT

Don't make the mistake of the old proverb, "Don't wait until the horse is stolen before putting a lock on the stable door;" don't wait until after Tuesday night, Nov. 21, which is the date of Richards & Pringle's Famous Georgia Minstrels, and then say, "I wish I had gone, as everybody said it was so great." Go and buy your tickets right now and be right. All the good things in minstrelsy will be served in a palatable manner. The parade will take place at 11:30 a. m.

BEST OF SEASON

Without doubt, "When Knighthood Was in Flower," last evening was the best attraction of the season and the best that the theatre-goers of this city have witnessed for many seasons. To attempt to describe the portrayal of Mary Tudor as given by Roselle Knott, requires a prolific pen. Her moods, her tribulations, her joys and her sorrows were truly depicted by Miss Knott. Seldom does so splendid an actress visit La Grande, and those who attended the performance last evening felt well repaid for their attendance.

The whole cast was excellent, and Oddee Stevens as Henry VIII and Nowell as Brandon, were extra good. Going on through the entire cast it could be seen that special talents had been taken to select a strong company to support Miss Knott.

The play was clean and wholesome throughout. The public does not demand the class of performances so often presented as could be seen by their true appreciation of this meritorious play.

CONVENTION

THANKS ROOSEVELT

Seattle, Wash., Nov. 20.—The Alaska convention this morning adopted a resolution which was wired to President Roosevelt, thanking him for his interest in the north and urging that he embody the same recommendations in the forthcoming message that he recommended previously, declaring for a territorial form of government. The convention adjourned until Monday to give the resolution committee time to report on the many resolutions and memorials to congress before it.

BAKER CITY SENDS MONEY TO JEWS

Sunday afternoon in response to a telegram from Mr. Shiff of Portland, who is at the head of the relief fund for the Russian Jews, requesting that the Hebrews of this city contribute something, the sum of \$100 was forwarded at once to add to the amount raised.

As soon as the request had been received F. R. Melis at the head of a committee went around among the Jews and in less than an hour had raised \$100. In a few days it is expected to send an additional amount.—Baker City Herald.

Several Years Late

The OBSERVER this morning received a letter from California asking that a copy of the daily Blue Mountain Sentinel be sent to the writer. The letter was addressed to the Sentinel and in the letter to E. S. McComas as editor.

As near as we can compute, the Blue Mountain Sentinel has been out of existence for 31 years, it having been established in 1868 and continued publication for three or four years. Mr. J. H. Stevens of this city, has the files from the first day of publication to the last, having been employed on the paper.

We sent the gentleman the La Grande Daily Observer, which although 31 years later, we believe could furnish him what reading from this section he desires.

Brings Good Prices

A carload of pears grown this year by J. W. Perkins in Jackson county, Oregon, were shipped to New York, and at an auction sale brought \$5,420. After deducting freight and commission and all other expenses from the Medford station, which amounted to \$272.27, the grower received \$2700.75. This is said to be the greatest sum ever paid for pears.

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Newlin's Drug store; price 50c.

Dr. Pierce's Favorite Prescription is what does it all. It's a wonder worker for women because it is Nature's remedy, adapted to the needs of twentieth century women.

NO ALCOHOL, NO NARCOTIC, NO INJURIOUS DRUG. Made of glyceric extracts from roots, therefore their virtues grew in them in Nature's laboratory, viz: Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root, and Golden Seal root; extracted, combined, preserved without alcohol, by Doctor Pierce's own peculiar process, and in the most exact proportions to secure the best effects.

If in need of careful, competent advice before beginning treatment, you will receive it without charge by writing, and stating your case, to Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y. All letters confidentially received and answers sent in securely sealed envelopes.

"I was a great sufferer for six years," writes Mrs. Geo. Seaton, of 64 Bond Street, Spinaux, Mich. "I commenced to take your Favorite Prescription" and have taken ten bottles in all. Am now regular, after having missed two years and suffered with pain in the head and back. I was so nervous, could not eat or sleep. Now I can thank you for my recovery."

Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic.
