# Thanksgiving

Union Services—Football Game—Grand Ball—Business will Practically Suspend Thursday.

La Grande will observe Thanksgiving Day as has been the custom for many years. Business will practically be abandoned on that day. The stores will probably close at noon. The United States Land Office, the Postoffice, the county offices and the banks will not be open for business, Thursday being a legal holiday.

UNION SERVICES.

Thursday afternoon at 10:50 there will be a Union praise service held at the Methodist Episcopal church led by Presiding Elder J. D. Gillilan, and in the evening at Central church, Rev. H. H. Mower, will deliver the Thanksgiving sermon. At this service a collection will be taken for the needy. This fund is turned over to the Ministerial association to be used

as they think proper during the year.

FOOT BALL GAME.

In the afternoon the foot ball game between the heavyweights, of La Grande and Athens will take place. The game will be called promptly at 3 o'clock and the greatest game ever played in this city is promised.

GRAND BALL.

The Foresters of America in the evening give their sixth annual ball. The Commercial Club auditorium is being specially decorated. The best of music has been secured and the Foresters have spared no pains to make this ball the grandest in their history, and the Sommer house has cornered all the good things in the market for the midnight supper.

## Many Dinners This Year Without Turkey

Some folks will eat turkey, some goose or duck and others will be content with the plump chicken for Thanksgiving dinner and will be mighty thankful for small fowls, too. It will not be because they cannot afford the lordly turkey but because they cannot get it that they will condescend to notice chickens. Never before was the turkey market in such a condition. Grandy & Russell, in spite of their hustling to find a supply of these birds, have only secured about one third of what is required for La Grande.

Twenty cents a pound will be the ruling price for dressed turkeys, but to secure so much as a pound it will be necessary to go early.

For the past week or so, a poultry buyer from Sumpter has been traveling over this county buying up hapless birds for the upper markets. The farmers, what few had a supply, have received 15 cents a pound for live weight for them, from either the local marketmen or from the outsiders.
