SCROFULA AN AWFUL INHERITANCE

While it is true that Scrofula may be acquired under certain conditions, it is usually inherited. Parents who are related by the ties of blood, or who have a consumptive tendency, or family blood taint of any character, are sure to transmit it to their children in the form of Scrofula. Swollen glands, brittle bones, poor digestion, weak eyes, Catarrh, emaciated bodies and general weak constitutions are the principal ways in which the disease is manifested. The blood has been diseased from birth, and being in this condition cannot properly nourish the body and Scrofula is the result. A hereditary disease like this can only be reached, by a constitutional remedy and nothing equals

S.S.S. S.S.S. as a cure for it. It cleanses and strengthens the deteriorated blood, drives out all scrofulous and tubercular deposits, and there is a gradual but sure return to health. S.S.S. supplies to the anemic, lifeless blood the properties necessary to build back to strong, robust health, and does this gently and so thoroughly that no signs of the disease are ever seen in after life. Being purely vegetable S.S.S. is the best remedy for Scrofula; its harmless but healing ingredients enter into the circulation and replace wax-like, bloodless faces with vigorous strength glowing with health. Book with information about Scrofula and medical advice free. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

WILL VISIT EASTERN OREGON NEXT YEAR

Portland Has a Trip Planned For Next Summer

The business men of Portland are planning a trip to Eastern Oregon and Idaho similar to the one made to Southern Oregon a few weeks ago.

The Commercial Club issues the following letter:

"The business men of Portland have recently enjoyed two very successful excursions, and they have in contemplation an excursion through Eastern Oregon, terminating at Boise, Idaho. At a conference which included a number of business men it was thought best to delay this trip until next summer, about the middle of June, when the National Irrigation Congress will meet at Boise Idaho.

"The business men of Portland are interested both from a selfish and patriotic standpoint, in the development of the entire Northwest, but they have felt that if they had a great purpose in making a trip through Eastern Oregon, it would do Eastern Oregon and Idaho real good, and would insure this city having a magnificent delegation at the National Irrigation Congress.

"The trip going to Boise would consume three days, including stops, the first stop to be made at some point in Eastern Oregon that has not been visited by the Portland business men.

"The business men of Portland would be under special obligations to the newspapers if they would give this idea publicity and comment upon it, and they would also like to know the opinions of the different business organizations in the several cities and towns. The busy season is now on at every point along the route, merchants and other business men have all they can attend to, and it is felt that an excursion at such a time as this would be somewhat of an imposition. If, however, the trip is made as one of the great features of next year's progressive program and with a great object in view, the results will certainly be beneficial.

"Hoping to have your opinion on the subject, both personally and publicly, I am very truly yours,

TOM RICHARDSON,
 Manager Portland Commercial Club.

Today, twenty-one years afterward, he was surprised to receive one of the marked coins from Oscar E. Harvey of Marmaduke, Ark. Harvey keeps a saloon, and it had been tendered across his bar.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.
