### Fulton's Bills

United States Senator Chas. W. Fulton has already prepared several bills which he will introduce during this session of congress, two which this city and Eastern Oregon are particularly interested in. One provides for the appropriation of \$100,000 for the construction of a public building in La Grande. The other is an act to divide the state into two judicial districts. Senator Fulton is a hard worker and as he is the sole representative of the state in either branch, he will be exceedingly busy this session, but it is safe to say that each and every constituent will receive attention to their wants.

### Saved By Dynamite

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe. For sale by Newlin Drug Co. Price 50c and \$1.00; guaranteed. Trial bottle free.

All women should strive to be beautiful. Beauty rules mankind. Hollister's Rocky Mountain Tea brings red lips, bright eyes and cream-like complexion. 35 cents. Tea or Tablets. NEWLIN DRUG CO.

### "What a difference in the suffering at time of childbirth"

When Dr. R. V. Pierce's medicines are used," writes Mrs. Edna Jacobs, of Bangor, Me., "I had not heard of Dr. Pierce's medicines three years ago when I was confined, so had to suffer almost death. My first baby was born I could not be on my feet without two persons holding me. The baby was a boy, weighing 14 pounds, and for some weeks after his birth I suffered severe pain. Last fall, following the advice of a neighbor, my husband bought me Dr. Pierce's Favorite Prescription, which I took during the winter and in March I gave birth to a baby boy, weighing 10 1/2 lbs. I was only in labor two hours and was on my feet without help until before baby was born. He is now three months old and weighs 12 lbs. I know it was Dr. Pierce's medicine that saved me from suffering. I advise all women to take Dr. Pierce's Favorite Prescription, also his Pleasant Pellets, if necessary."

Following this advice of a neighbor, there is in those six words. The neighbor had tried the "Favorite Prescription" and recommended it. Mrs. Jacobs has also tried it and proved its wonderful properties and now she recommends it. Beside such testimony as this its maker's words are unimportant. Mrs. Jacobs' experience is a fact. Her neighbor's experience is a fact. The written experience of 500,000 other women are facts. There is no theory about it. There can be no question about it. In every neighborhood in this broad land there are women who have been cured by the "Favorite Prescription." It has cured more cases of female complaint than all other medicines for women combined. It is the only medicine of its kind invented by a skilled specialist in medicine—a regularly graduated physician of more than forty years' actual experience.

### A Creeping Death.

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at Newlin's Drug Store.
