**AMUSEMENTS**

**Is He Man or Devil**

Those who attended the performance  
of the Great McEwen last night at  
Steward's opera house had a laugh com-  
ing and many of them are still laughing  
at the comic antics of the hypnotic sub-  
jects and are still wondering how some  
of his magic tricks were done.

The house was comfortably filled with  
an appreciative audience. The opening  
of the program was wholly magic. As a  
palmist McEwen has few equals. His  
card and coin tricks were especially in-  
teresting and mystifying. The floating  
lady, whether it be mechanical, magnetic  
or hypnotic, is indeed a clever act.

Hypnotism offers a wide field for ex-  
periments, and McEwen certainly avails  
himself of the opportunity. Twelve  
young men volunteered their assistance  
and as a result the audience almost went  
into hysterics laughing at their antics.  
Tonight many of the same young men will  
be on the stage and will be placed into a  
cataleptic state. These experiments  
promise to be more interesting than those  
of last night.

**EAGLES' NIGHT**

Friday evening will be Eagles' night,  
and a strange lady, an Eagles' wife, will  
take the place of Miss Florence McEwen,  
in the greatest of all acts, the "Princess  
Momonada." The Eagles will also furn-  
ish a committee upon which McEwen  
will display his powers of hypnotism.  
This committee is composed of well known  
citizens of this city.

Several well known persons took ad-  
vantage of McEwen's offer to heal them  
free of charge and announced them cured  
last night after the entertainment.

Friday night will be the great healing  
night, and all who are suffering from any  
sort of ailment are invited to come for-  
ward and be healed free of charge.

**Depew Resigns**

Washington, D. C., Dec. 6.—Senator  
Chauncey Depew's resignation as director  
of the Equitable Life Insurance company  
will be tendered at the next meeting of

**Will Not Live**

(Scripps News Association)  
St. Louis, Dec. 6.—William H. Thomp-  
son, president of the National Bank of  
Commerce and treasurer of the Louisiana  
Purchase Exposition, is ill with kidney  
trouble and is not expected to survive the  
day.

**For Y. M. C. A.**

Clayborne L. Shepard, traveling secre-  
tary and an alumnus of the Oregon Agri-  
cultural College, is in the city today in  
the interest of the association building  
which is proposed for the O. A. C. asso-  
ciation. The building is one which has  
been desired for some time at Corvallis,  
and is apparently about to be realized.  
A building site has been purchased ad-  
joining the college campus, and \$12,000  
has already been subscribed. However,  
the plans call for an expenditure of \$15-  
000, and consequently there is \$3000 yet  
to be raised. To raise this amount is the  
object of the present mission of Mr. Shep-  
ard.

**Attorney Cochran**

Attorney Chas. E. Cochran, the legal  
advisor of the Central Railway Company,  
came over from Union this morning, on  
business connected with the company.  
Mr. Cochran states that the officers who  
are here are completing the preliminaries  
for the immediate construction of the  
electric road.

**At Court House**

James Word has filed an injunction  
suit against William Heugan and Polk Mays.  
The suit concerns the Grande Ronde  
mines.

The Stoddard Lumber Company has  
filed an attachment against J. L. Pinker-  
ton, also an injunction suit to prevent  
Sheriff C. C. Penington from selling cer-  
tain attached property.

**Finds Gold**

Milton, Ore., Dec. 6.—Mrs. John Jenkins,  
who lives near the city, while dressing a  
chicken for Thanksgiving found three  
pieces of gold in the crop about the size  
of peas. The gold was assayed and  
amounted to \$2.60. The chicken was  
raised on the place and must found have  
the gold there, the exact location, how-  
ever, not being known.

**THE OBSERVER**

**SORES-ULCERS THE BLOOD DISEASED  
-SYSTEM DISORDERED**

When a Sore or Ulcer is slow in healing it is the best evidence of a dis-  
eased condition of the blood and a disordered system. They show that the  
bodily impurities, which should pass off through the natural channels of  
nature, are being retained in the system from some cause. The blood ab-  
sorbing the waste matters becomes steeped in poison which finds an outlet  
through the Sore or Ulcer, keeping it  
inflamed, painful and festering. As  
the blood constantly discharges its  
poison into these places, they eat  
deeper into the surrounding flesh and  
tissues, growing larger and more  
offensive in spite of all the sufferer  
can do, until the entire health is  
affected. Washes, salves, powders and such treatment are desirable for the  
reason that they are cleansing and also help to relieve the pain, but they are  
in no way curative. The blood is filled with  
poison, and until it is removed the sore cannot  
heal. S. S. S. is the only cure for these evi-  
dences of impure blood. It goes down to the  
root of the trouble and cleanses the circulation  
of all poisons and impurities. S. S. S. enriches  
the blood and reinvigorates the different mem-  
bers of the body so that the impurities and waste matters can pass off as  
nature intended. Then the discharge ceases, the sore scabs over, new flesh  
is formed, and the place heals permanently. Ask on Sores and Ulcers and  
any medical advice you need without charge.
