**People
Want Two
States**

(Scripps News Association)
Washington, Dec. 6.—Gov. N. D. Murphy of Arizona is in Washington to make his regular fight against the consolidation of Arizona and New Mexico into a single state. "As long as that obnoxious proposition is before congress I shall be in its vicinity seeking to oppose it by every legitimate means," said he. "The people of Arizona are against it overwhelmingly, and if a fair expression of the sentiment of New Mexico could be taken, a majority of its people would be found in the negative. Arizona is rich and prosperous, and there is no other cloud on its horizon save this threat of being forced into a most distasteful partnership. If we cannot be admitted as a state on our individual merit, all we ask is to remain as we are now."

**May Play
Pendleton
Foot Ball**

Arrangements have been made for the Commercial association football team to meet the Athena eleven next Sunday at the latter place. Also, Manager Tom Milarkey said this morning that a request has been received from La Grande for a game to be played here on Christmas day, followed by a return game there on New Years day. So far no answer has been given the La Grande team, and it is not fully determined whether or not the offer will be accepted. In the games which the club team will play in the future the line-up will be secured from the best players in both the club and the high school, as all the latter players are also members of the association.—Pendleton Oregonian.

Constantinople, Dec. 6.—The council of ministers has agreed to yield to the demands of the powers in principle, but the sultan has not yet officially approved this action. **Two
Dyspeptics**

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated. Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

**Kodol
Dyspepsia Cure**

Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.
