# SOME HOLIDA SUGGESTIONS

Possibly you have heard "talking machines" and have not cared much for them, but remember that there are machines that reproduce only sound and noise; the sweetness, and the perfect expression for which you prize music are reproduced only by the modern Edison Phonograph and the Edison Gold Moulded Records. These qualities dis-tinguish the Edison Phonograph from all its imitations. Phonograph 10, 20 & 30 dollars.

## Over-Burdened Women. UVET-DIFFCENCE WOILCH. Many a man sees his wife bend and ing at burdens that strain the back and the beart alike, without any ides of the outsage. Children follow in too quick succession to allow the $\tau$ or ther time to recuperate. The womanly organs become displaced, there are debilitating, disagree-able drains, with the added pain of In-flamed or ulcerated parts. In this condi-tion the woman bravely tries to carry her household load, afraid to take the rest she needd lest a meal will be late. No wonder she is pais, weak, wretched, surly of temper and snappish of tongue. She would be faile to nature if she were any-thing else. No persons need help so much as the class of whom this woman is the type. And for such women no help is so sure, so wonderful, as that given by Dr. Pierce's Favorite Prescription.
