SOCIETY

DAMEN-KRANZ

Miss Gertrude Biever and Miss Gertrude Mitchell were the hostesses at a very cleverly planned and well carried out social function Friday evening, which took the form of a snow-ball party. The guests were members of the Damen-Kranz and invited gentlemen. The pretty rooms of the Mitchell home were charmingly decorated in long festoons of the stately evergreen, with balls of cotton, very much resembling snow, hanging from the branches. Booklets, in the form of the holly leaf, containing a literary puzzle, were given each guest; then diligence reigned for thirty minutes. Miss Evelyn Rohan was fortunate in receiving the pretty little book of quotations; Mr. Parker the baby. In the snow-ball contest Miss Alice Henson's efforts were rewarded by an immense pop-corn ball. Robert Jones held championship in the left hand snow-ball throw and was duly rewarded. At eleven o'clock all were invited into the dining room where a bounteous luncheon was served, then soon departed with praise to their hostesses for an attractive evening.
