WHAT UNION COUNTY SHIPS OUT ANNUALLY

One Hundred Ninety Nine Trainloads of Thirty Five Cars Each
The Amount.

One hundred and ninety train loads of 35 cars each are required to haul the products of Union county to the markets of the world.

Not another county in the great inland empire can make such a showing in diversified products.

Two things are required to create prosperity, and these Union county possesses. We produce what the masses must have to satisfy the necessities and we furnish a steady market for labor.

Six thousand six hundred and forty-five cars were used during the past twelve months to market these products and the Commissioner of Labor of this state in his annual report states that Union county stands third in the state as a labor market, that is, furnishes more days labor each year than any county in the state, with two exceptions. Multnomah (Portland) and Clackamas (Oregon City) where the large woolen and paper mills are situated.

We have ten industries that are in operation and have been for many years whose annual products exceed from \$100,000 to over \$600,000. We refer to wheat, lumber, oats and barley, cattle, hogs, horses, hay, fruit, sugar beets and dairy products.

Not an item mentioned in the above list but brings annually into this county \$100,000, and the first mentioned reaches to \$650,000 if not more, and lumber a close second exceeding the \$500,000 mark, then sugar, cattle, oats and barley each contribute \$250,000 to the prosperity fund. Then comes sugar beets, fruit and dairy products, with credit due each to the amount of \$100,000. A total amount of \$3,000,000, with many industries that run into the thousands of dollars not included.

The outlook for 1906 gives promise of an increase in every item mentioned in the above list. The new saw mill which the Palmer Lumber company is to erect in this city will greatly increase the an-

nuual lumber output and will correspondingly furnish employment to 200 or more men. Every year our fruit industry grows, as the natural increase in acreage increases and the young orchards become older. The order has gone forth that during the next two years the best tonnage is expected to be increased to the extent that it will be necessary to double the present capacity of the big sugar factory. This means more labor. The irrigation projects now under consideration and construction means more alfalfa, which means more milk, hogs, cattle and so on.

Union county is just becoming developed. The big farms are by degrees being cut up, and where one family formerly lived, today in some instances there are a dozen.

Among other improvements we are promised the electric railroad. The trains are already bringing people to this coast, and when homeseekers begin to come to Oregon by the thousands, Union county will secure her proportion, and it always has been and always will be that La Grande the commercial, educational, and political centre of the great commonwealth will always work in the lead of the procession.

Saved By Dynamite

Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe, for sale by Newlin Drug Co. Price 50c and \$1.00; guaranteed. Trial bottle free.

NOTICE OF PROPOSED STREET IMPROVEMENT

To whom it may concern:—Notice is hereby given of the proposed improvement of Washington Avenue, in the City of La Grande, Oregon, by the construction of a seven foot side-walk on the East side of said Washington Avenue, between Elm and Fir Street in said City. Said side-walk to be constructed by the abutting property owners.

Notice is further given that unless said proposed improvement is defeated by remonstrance signed by the abutting property owners and filed with the undersigned on or before the 23rd day of December 1905, said side-walk will be ordered constructed by the Council of the City of La Grande, Oregon.

Dated at La Grande, Oregon this 12th day of Dec. A. D. 1905.

I. R. SNOOK Recorder of the City of La Grande Oregon.

NOTICE OF STREET GRADES

An ordinance has been passed by the third reading and will become a law at the next meeting of the city Council Jan. 3, 1906 unless a remonstrance is filed establishing grades on S, T, B and Q streets. The proposed grades are now on file at the office of the city engineer, L. A. Pickler, for inspection by those interested.

A Creeping Death

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn. writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at Newlin's Drug Store.
