### "CHRISTIAN WORK" SAYS FAIR PLAY

"Fair play for Osteopathy" is the caption of an article in which "Christian Work" recommends the passage of the bill regulating the practice of Osteopathy now before the New York legislature, and the editor has this to say:

"That it has accomplished many cures that have seemed to defy older methods is a matter of proof. Since it first made its appeal to the confidence and patronage of the afflicted, it has broadened its foundation, and those who meet its present requirements are certainly entitled to be admitted to the ranks of the learned professions.

"But it should be vigilant and jealous of its reputation. If it permits the mere manipulation to carry its colors, it is going to suffer. Recognition comes with public confidence, and under proper regulation, Osteopathy doubtless adds another defense of no mean value against the ravages of disease."

Yet the Osteopathic bill was beaten in the Oregon senate this year through the opposition of the medical doctors.

### STOCKHOLDERS MEETING

Notice is hereby given that there will be a meeting of the stockholders of the La Grande National bank at the La Grande National bank building in the city of La Grande, Union county, Oregon, on Tuesday, January 9, 1906, at two o'clock p. m., for the purpose of electing a board of nine directors, and any other business the transaction of which shall legally come before this meeting.

F. L. MEYERS, Cashier.  
Dated this 11th day of December, 1905

### A-Creeping Death.

Blood poison creeps up toward the heart causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores 25c at Newlin's Drug Store.

### Cleared For Action

When the body is cleared and ready for action, by Dr. King's New Life Pills, you can tell it by the bloom of health on the cheeks; the brightness of the eyes; the firmness of the flesh and muscles; the buoyancy of the mind. Try them, at Newlin Drug Store, 25 cents.

### AMUSEMENTS

#### GOOD ENTERTAINMENT

A concert by a college glee club, if well arranged, is something which almost everyone enjoys, to say the least. The heavy choruses which fill the entire building with harmony are truly inspiring. After having been trained on popular songs, lullabies, and thundering marches for three solid months, the singers can forget the mechanical aids at first necessary, and sing with that abandon which makes the human voice the most beautiful musical instrument. The Whitman College Glee Club are to appear in La Grande at the opera house, Dec. 22.

#### MISS GEORGIA HARPER IN CAMILLE

Camille is one of those plays that will live forever. After the curtain falls on the last act, one feels as if they could see it all over again and enjoy the second performance better than the first. The story is familiar to most theatregoers. It tells how a woman of the world struggles to reform, but society meets her with sneers. Finally she falls in love for the first time in her life. Then begins her sacrifice. The family of the man she loves requests her to give him up, in order to save the family honor. In the pathetic scenes that follow she proves the nobility of her character by giving her life for the man she loves.

"Let a woman once fall, what is there left for her? What man would call her wife? What child would call her mother?"

#### NIBLEY NOTES

Mr. and Mrs. William Briggs of Lewiston, Idaho, are visiting relatives here.

Mr. and Mrs. James Southwick of Annon, Idaho, are visiting Bishop and Mrs. Rawson.

Mrs. Annie Warren of Parowan, Utah, is visiting her daughter Mrs. Joel Orton. Lee Smith was a La Grande visitor Friday.

John Mitchell has gone to the lumber camps up the river to work.
