THE LA GRANDE FOOT BALL TEAM  
The team that will represent La Grande against the strong Pendleton Commercial Club team in the big game at La Grande on Christmas day.

The Christmas foot-ball game in this city between the Pendleton and La Grande Commercial Club teams will, from all indications, be a hummer. The home team has been working hard for the past ten days, and every man is in fine condition for a hard contest, and confident of victory. The exact line-up has not yet been selected, and will probably not be known until the day of the game, but it is sure to be a good strong aggregation that will face Pendleton at the kick-off, and one that will be a credit to La Grande.

One thing is certain, Harley Laughlin will captain the team and play quarterback, while Robertson and Driskell will play right and left half, respectively, and Clare Gillilan will be found in his old position as full back. This quartette of players forms a combination that is certainly hard to beat in any land. The line will be selected from the following list: Bay, Foley, Grout, Guttridge, Wilson, Faulk, Lemmon, Halley, Peach, Allstott, Gayler, Hopper, Stoll and Meyers.

Reports from Pendleton are to the effect that they expect to show the La Grande boys a few tricks about foot ball heretofore unheard of in this quiet hamlet, and perhaps they will, but they will have to show the supporters of the La Grande team. A big delegation of rooters will accompany the Pendleton team to this city and will try to cheer their favorites on to victory. The La Grande team will turn out for practice tomorrow at 2:30 and those who wish to get an idea of the team we have, should not fail to see the boys at work.

## LA GRANDE SCHOOL OF MUSIC

PROF. DAY, PRINCIPLE.  
MRS. DAY, ASSISTANT.

This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners from 5 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 2 to 5. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study. Opposite the Foley House over the candy store. Phone. 478.
