Terrific Race With Death.
"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man and today I am cured of all my troubles." Guaranteed at Newlin's Drug Store, price 50c.

AMUSEMENTS

CAMILLE LAST NIGHT
Stewards Opera House House was well filled last night to witness a fine production of "Camille" by George Harper and company. Miss Harper was heralded here as an exceptionally clever artist and she surely proved that fact by her superior performance, from the starting of the play to the finale. She held the audience in close attention, and played each scene with telling effect. She wore several beautiful gowns during the progression of the play. Miss Harper held strong support in Mr. Detrick, who played Armond, Camille's Lover. From all reports the performance gave entire satisfaction, the play was mounted in fine style the special scenery used last night was new and fresh looking. Tonight the bill will be "The Gay Deceiver," a new comedy. A very strong story is told in the course of the play which is full of funny situations and refined fun. It is something new.—The Howards an exceptionally good vaudeville team will appear in new song and dance specialties between acts. Don't forget "Happy Hoopla" at the matinee tomorrow afternoon, at 2:30. A beautiful photograph of Miss Harper will be given to each one buying a 25c ticket to the matinee performance.

MARK TWAIN
Mark Twain has long been known as a friend of Osteopathy. The following story comes from New York Harbor, Me: "Say, yer know that literary chap that hed the Fussess cottage last summer? Mark Twain, I believe they call 'im; waal, he ustar come over ter my house an' set for hours while I spun yarns. One day he came to me lookin' kind o' worried like, an' his hair was ruffled up like he'd been aopt in a stiff nor'easter, an' he sez: 'Cap'n Brooks, can you tell me if there is an Osteopath at the Harbor?' 'Waal, sez I, 'the' mebbe, but I ain't never katched one on 'em, an' I've been fishin' here night onto 43 years.' He looked kind o' queer an' sed he guessed he'd go up to the drug store and 'inquire.' 'Waal, I went home an' to'd the o'd woman about it an' she sez: 'You o'd fool Jed Brooks, tain't no fish, 'tis a bird.' So I went into the best room and tuk down the cytopedum my boy Steve had ter Harvard college, an' I'll be durned if it wasn't no fish at all, ner a bird, but a new fangled kind o' doctor."

HEARST ANNOUNCES PLANS
Los Angeles, Dec. 29.—William R. Hearst in an interview printed today said: "I shall not run for congress again. I regard office holding like jury duty. Also a man can accomplish more with his newspapers than in office. Furthermore, to be a member of the minority does not give one much chance for results. "I insist that I polled a plurality of the votes for mayor in New York and had most of the population with me. I began a fight that will be carried on until its object is accomplished and politics are purified. I still hope to have the votes properly counted."

IRRIGATION IN INDIA
An irrigation project has just been given official approval by the Indian government involving an expenditure of twenty millions of dollars, to cover three thousand square miles, the water to be taken from the Jhelum river, the flow of which is estimated at seven thousand cubic feet per second.

SENATOR I A PRA TIS
A new candidate for United States senator for Oregon has entered the race—F. W. Mulkey, of Portland, chairman of the State Tax Commission. Three candidates are expected to announce themselves shortly after New Years—Mr. Mulkey, L. R. Webster county judge of Multnomah, and Jonathan Bourne.

JEROME'S PLURALITY
District Attorney Jerome's plurality was increased by nearly 8000 over the police returns made on election night by the official returns made public today by the board of elections. His plurality is 15,064 instead of 11,450 as originally printed. This gain was the result of corrections made by the board of canvassers and the counting of so-called void and protested ballots before Justice Giegerich.

NEW REAL ESTATE OFFICE
I have moved my real estate and insurance office to room 3 over J. M. Berry's store, where I am better equipped than ever to handle farm lands and city property. I also write fire insurance on farm property. G. H. POWERS, the Minnesota Land Man.

VETCH PROFITABLE

Saved By Dynamite

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and L. Grippes for sale by Newlin Drug Co. Price 50c and \$1.00; guaranteed. Trial bottle free.

"Such a Noise!"
The mother says to herself, sometimes, "I can hardly endure it." Then a chill creeps over her as she thinks of the awful silence which falls upon the home when children are taken away, and she is glad her children are hardy of body and lusty of life.

When a child does not enjoy noisy sports and games there is something wrong, and that something will often be found to be a lack of nutriment adequate to the needs of youth and growth. The stomach is weak, digestion is imperfect, and so the nourishment of the body is inadequate.

In such cases Dr. Pierce's Golden Medical Discovery works wonders. It changes puny, fretful children into healthy, happy girls and boys. The process by which this change is accomplished is strictly along the lines marked by Nature. All growth and strength come from food when it has been digested, converted into nutrition and assimilated. "Golden Medical Discovery" cures diseases of the stomach and other organs of digestion and nutrition, and so enables the body to obtain without loss or waste the benefit of the nutrition provided in food. The "Discovery" contains no alcohol and is entirely free from opium, cocaine and all other narcotics.

A Wonderful Thing.
"I have been thinking of writing to you for some time," writes Mrs. W. D. Benson, of Maxton, Oregon Co., N. C. "to let you know what a wonderful thing Dr. Pierce's Golden Medical Discovery did for my little boy. He was taken with indigestion when he was a year and a half old and he was under the doctor's treatment for five long years. We spent all we made for doctor's bills, and it did no good. He could eat only a little milk and cream, and some times even this would make him sick. He could not sit up all day, and I gave up all hope of his ever getting any better. Three years ago I found one of your books, and on looking it over one day I noticed Dr. Pierce's Golden Medical Discovery recommended for indigestion. We bought some of it and gave it to our boy. He had been treated at Hovels by a good doctor and at Bennettsville, S. C., and at Currie and Lumberston and Maxton, and was only relieved for a short time. We gave him two bottles of Dr. Pierce's Golden Medical Discovery and it cured him. He is well as can be and can eat anything that he wants and it does not hurt him. He has not been sick a day since and it has been three years since he took your medicine."

A Thankful Mother.
"I have felt it my duty for a long time," writes Mrs. Mollie Jones, of Gap, Comanche Co., Texas, "to tell you of the wonderful cure effected by your 'Golden Medical Discovery' and 'Pleasant Pellets' in the case of our little boy, now nearly seven years old. When he was two months old he was taken with La Grippe, and it settled on his lungs and in his throat. His tonsils enlarged, and when he was two years old we had the doctor operate on them. Then we had the doctor take his tonsils out and he made bad work of it. If he went in the wind he would be sick, and we tried everything we could hear of and consulted every physician we saw, but they did not know what to do. When he was nearly six years old (in October, 1899) he was worse than ever, and I could not rest for being so uneasy about him. He was our fourth boy (the other three were dead), and it seemed to me that if he died I just could not bear it. I would go to sleep crying and begging God to spare him. Well, I could see he was getting so much worse; he was just as poor as the could be, and his kidneys had been troublesome all his life. I had read a book about Dr. Pierce's medicine. It seemed to me that this was the very medicine we wanted, and I told my husband that if he would buy some of Dr. Pierce's medicine I felt almost sure it would help our boy. He sent and got some and we commenced with the 'Golden Medical Discovery' on Friday night, and with the 'Pellets' the next morning. We gave him your medicine three times a day and by Sunday he was able to play, and in one month from the time he commenced taking it he had gained six pounds and his cough was all gone. He has not brought any since, and he don't take any more than the rest of us. He goes about like the rest of the children and plays in the cold and hot weather."
Dr. Pierce's Common Sense Medical Adviser in paper covers is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo N. Y.
