SPORTS

COMMERCIAL CLUB 25. O. N. G. 15.
As indicated by the score the Militia team was completely outplayed by the superior team work of the Commercial Club team in the basket ball game last night at the Armory Hall.

Of the thirteen points made, three were the gift of their opponents from fluke or accidental plays.

The enjoyment of the game was spoiled considerably for all by the rough house tactics adopted by the Militia team, whose idea of basket ball seemed to be to attempt to advance the ball by plays more resembling foot ball than basket ball. However with coaching they have the material for a good team. The score was all in favor of the Club team at every point of the game. Only once, at the beginning of the second half did they appear to be going by the Club's score but the Club men soon ran the score up to a safe place and there it remained.

SOCIETY

Mrs. W. Condit and Mrs. C. J. Scriber entertained a number of friends at lunch last evening in Mrs. Condit's pretty home on N street. The hostesses closed the evening pleasantly with dainty refreshments.

THE DANGER TO THE CHILD
May be real or the snake may be a harmless one, but there is danger that menace every child's life if the mother is deficient in womanly health and functional vitality.
Thousands of women have borne their sufferings and kept their troubles to themselves from motives of delicacy and feeble childhood has paid for it.
Dr. Pierce, forty years ago, consulted Nature, and found that she had provided remedies in abundance for the cure of woman's peculiar ailments and weaknesses. He found that non-alcoholic glyceric extracts of Golden Seal root, Blue Cohosh root, Unicorn root, Black Cohosh root and Lady's Slipper root, combined in just the right proportion, gave such surprising results that this compound soon became a standard favorite of his in the treatment of such cases. In a little time the demand for it became so great that he determined to put it up and provide for its general sale so that the multitudes needing it could readily supply themselves.
This is now known as "The Civilized World's" Dr. Pierce's Favorite Prescription, and its unparalleled record of hundreds of thousands of cures, in the last forty years, justifies all that can be said of it.
It is non-alcoholic, non-narcotic. It is safe and reliable for any woman, of any age and in any condition, to use.
Dr. Pierce's Pleasant Pellets—only one or two a day will regulate and cleanse and invigorate a full, bad stomach, torpid liver, or sluggish bowels.
Dr. Pierce's Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Over 1000 pages and illustrated. Address Dr. R. V. Pierce, Buffalo, N. Y.
