ARRESTED A CLUE

(Scripps News Association)
New Haven, Conn. Jan. 6—The police are leaving no stone unturned which they believe likely to unearth any clue to the murder of Mrs. A. W. Gentry. This morning James Goodelman, the cabman who says he took a man to the depot, was arrested. Goodelman says that after taking the man to the station he then took him to a pawn shop where he left him. This is supposed to have taken place shortly after the murder.

FRED TAYLOR HURT

Word reached this city late Saturday evening that Fred Taylor was seriously injured while working with a gasoline engine. The accident took place near Echo and Mr. Taylor was taken to Portland at once. Mrs. Taylor left last evening to join her husband there. It is feared that Mr. Taylor's injuries are such that it will be necessary to amputate his arm. From the few facts obtainable, it would seem that Mr. Taylor was setting up a new engine for the O. R. & N. Co. and in some manner his coat became caught in one of the wheels of the engine, the force of which was sufficient to badly crush the arm.

SOCIETY

ELKS' SOCIAL
Much credit is due the committee who had charge of the Elks' social given in their hall last Saturday evening. The music was excellent and the hall was not crowded, so dancing was thoroughly enjoyed. The appetizing supper met with much approval.

Q. A. M.
The Q. A. M., which is composed of about 80 members gave its first dancing party of the New Year, Saturday evening in Armory hall. A splendid company assembled and the affair was a distinct social success. Hendricks' orchestra played a most enjoyable program of the newest dance music.

The Neighborhood Club meets tomorrow afternoon.

NOTICE TO FRUITGROWERS

All Fruitgrowers who wish to become members of the Northwestern Fruit-growers Association should send their name and one dollar to Hon. C. D. Huffman, secretary of the Association. Do this at once and thereby become a member of the Association.

Remember a letter addressed to C. D. Huffman, Secretary of Northwest Fruit-Growers Association containing one dollar will receive prompt attention, and you will be entitled to the full printed proceeding of the meeting. The one article of Prof. Ball's on fruit tree spraying is well worth the dollar alone.

AT THE PRESBYTERIAN CHURCH

Miss Julia Frazer of California, field secretary of the board of home missions, spoke to large and appreciative audiences in the Presbyterian church yesterday, both morning and evening.

The subject of the morning address was "Home Mission work among the Mexicans in the United States" and in the evening Miss Frazer spoke of the work among the mountaineers of the South.

Miss Frazer is a most interesting and forcible speaker, and those who failed to avail themselves of the opportunity to hear her, missed a rare treat.
