CHARLES JOHN'S PLATFORM

Charles A. John's was born in Jackson county, Missouri, on June 25, 1857, which makes him 48 years of age. He came to Oregon the following December and it was not his fault that he in fact is not what he really is, a native Oregonian. He received his early education in the public schools at Solo, Linn county. He received the A. B. degree in 1875 from the Willamette University, at Salem, and the A. M. degree in 1882. He was admitted to the bar in 1881 and commenced the practice of his profession at Dallas, Oregon, and for his sterling qualities was appointed county judge of Polk county, where he lived until 1889, when he moved to Baker City, where he has since made his home and practiced his profession with marked success. Mr. John has never held a political office. He has been honored with the mayoralty of Baker City upon two former periods which position he now enjoys, having been elected by the largest majority ever cast for any one for that office. He is serving his fourth consecutive term as school director and at the last election received every vote cast. No person has stronger home endorsements.

PLATFORM

The affairs of state should be conducted with a high sense of honor and on sound business principles and a broad plane of equality, and to that end there should be a watchful care and vigilance over every department. The high and the low, the rich and the poor should receive the same courteous treatment. The laboring man has the same right to be heard as the railway magnate or the millionaire.

The state school fund should be treated as sacred, and there should be no juggling with school lands. A law should be enacted, preventing speculation in, or the sale or assignment of school land certificates. The land agent should not be allowed to have any favorites, or speculate through knowledge obtained by virtue of office. There should be no adjuncts to or around this office and it should always be above suspicion.

All kinds of property, including franchises, should be required to pay a just and reasonable tax, and express and similar companies should pay a tax on their gross earnings in the state.

A law should provide for a state bank examiner with conservative plenary power. The primary law was enacted by a vote of a large majority of the people and is entitled to, and should be given, a fair trial and should be respected both as to its meaning and intent.

From sentiment and conviction, I stand with President Roosevelt, on the labor question, and am in thorough accord with him on the question of railroad legislation. I am a firm believer in, and an ardent supporter of, our public school system. I favor liberal support to, and a high standard of education; and, with rare exceptions, think our own boys and girls should be educated within the state of Oregon.

If successful, in my administration the needs and wishes of the people, will be the only "boss" and the only "machine", and there will be no "favorites" and nobody will have a "pull", and I will give the state an honest, clean, conscientious and vigilant administration, "of the people, by the people and for the people."

HELLO!

A young lady desiring to communicate with a certain society beau, was told to call him up by telephone at the club at a certain hour. She rang up the exchange gave the number and waited. Presently a voice said:
 "Hello!"
 "Hello," she said, "is Mr. S. there?"
 "Mr. Who?"
 "Mr. S."
 "Mr. S? No."
 "Are you sure?"
 "Yes sure. We have no record of any one by that name being here."
 "Please look and see if he isn't somewhere about."
 "There's no use looking mam, we have 'em all down in a book."
 "Well it is strange, I was told he would be there at this hour."
 "Say, look here, what number was it you wanted?"
 "Why, 2085."

A Creeping Death

"Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at Newlin's Drug Store.

"COMPLETELY DISCOURAGED"

Is the feeling and plaint of women who are "run-down" so low that work drags, head aches, back aches, hands tremble, voice quivers, little things annoy and "everything goes wrong." Look the other way just a minute and see what Dr. Pierce's Favorite Prescription has done for more than a half-million women in the last thirty years. What it has done for others it can do for you. Believing that alcoholic, stimulating medicines were doing much harm, Doctor R. V. Pierce turned his investigating mind upon the problem of producing a remedy for the use of weak and suffering women that should be free from alcohol and at the same time EFFECTIVE AND SAFE. Nature has provided abundantly for such needs and Dr. Pierce found in active medicinal plants such as the roots of GOLDEN SEAL, LADY'S SLIPPER, BLACK COHOSH, LINCEN and BLUE COHOSH, the needed medicinal properties which by peculiar processes, strictly his own, without the use of alcohol, he has extracted, preserved and combined in exact proportions to secure from each its best effect. Thus compounded, his "FAVORITE PRESCRIPTION" is a remedy for the pains and drains, weaknesses and inflammation of the uterine system that has won worldwide fame by curing more than ninety-nine out of every hundred who have used it properly. In taking this you will know what you take and take what you know to be good. If in any doubt as to what is best for you, write and ask advice of Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y., and reliable medical advice will be sent you by return mail in securely sealed envelope. All correspondence free and strictly confidential. Doctor Pierce's Pleasant Pellets the favorite family laxative. One "Pellet" a laxative, two "Pellets" a cathartic c.

DON'T TRUST TO LUCK

SMOKE THE VISTA ORADA
 and other brands will prove a you no longer. That's the cigar to stick to and the price won't "stick" you.
