CANADIAN FORESTS

Ottawa, Ont., Jan. 9.—One of the most important meetings in the interests of systematic forestry in Canada, ever held in this country, met here today in response to an invitation issued by Sir Wilfred Laurier last month. The meeting is held under the auspices of the Canadian Forestry Association and was called for the purpose of considering the status of the forests of the Dominion and the means necessary for preservation.

IMPROVING FOLEY HOTEL

Carpenters are at work removing the partitions which form two sample rooms in the northwest corner of the Hotel Foley and the dining room will be extended back to occupy this space. The partition of the office will be extended 16 feet into what is now the lining room, giving more lobby room. The great amount of business of the hotel has necessitated these changes. When these are complete the already many conveniences will be increased and the Foley will continue to be classed as an up-to-date hostelry.

STEEL RANGES

I have the celebrated Majestic and Superior Steel Ranges which have no equal as to baking qualities and durability. Try one and be convinced.

A few heating stoves left, upon which I am giving 10 per cent off, while they last.

Don't forget about our cross cut saws and logging tools.

MRS. T. N. MURPHY

NOTICE TO FRUITGROWERS

All Fruitgrowers who wish to become members of the Northwestern Fruitgrowers Association should send their name and one dollar to Hon. C. D. Huffman, secretary of the Association. Do this at once and thereby become a member of the Association.

Remember a letter addressed to C. D. Huffman, Secretary of Northwest Fruitgrowers Association containing one dollar will receive prompt attention, and you will be entitled to the full printed proceedings of the meeting. The one article of Prof. Ball's on fruit tree spraying is well worth the dollar alone.

SOCIETY

401

Miss Margaret Porter was hostess at a very cleverly planned party last evening. Her guests were the 401 club girls who entered into the games with a spirit equal to the occasion. Miss Moina Aikine secured first prize, a bottle of perfume, in the contest and Miss Carmen Stoddard was consoled with a box of candy.

But the feature of real fun was the candy making where culinary skill was in evidence.

The evening was altogether a mirthful one and at a late hour the girls bade their hostess goodbye to meet with Miss Mabel Williams next Monday.

THE CHEF

in our restaurant gets many a blessing that he doesn't bear. So many people with fickle or jaded appetites have been tempted into the joy of good eating by his skill. He has some dishes that would give him a place among kings if he only knew it. Meanwhile you can

ENJOY THE RESULT

of his cleverness by eating here. One meal will convince you that good cooking is not a lost art, here anyway. Shall we reserve a table for you?
