### OBITUARY

Alfred, the son of Mathias and Elizabeth Reynolds, was born in Ohio, Aug. 31st, 1854, and died of that dread disease cancer at Carlisle, Iowa, on January 7th, 1906, aged seventy one years, four months and seven days. He came with his parents to Warren county, Iowa, in March 1849 and has made it his home since, except for two years which he spent in his native state. He was married to Miss Catherine Perry on November 26, 1859. To this union were born eleven children, five boys and six girls, all of whom are living, and all of whom were permitted to be at his bedside during his last illness with the exception of one daughter residing in La Grande.

The deceased was a man of the most exemplary character, always truthful, honest and upright in all of his dealings, and always trying to help others out of their difficulties. During the last five months of his life his sufferings were almost beyond expression, but he bore them all with patience, never murmuring or complaining but always expressing the thought that everything was all right. His great desire was to raise his children to be true and honest men and women, and to know the value of true religion. He expressed himself as being ready and willing to go and said the way looked bright. He leaves an aged wife, a brother, eleven children and a host of relatives and friends to mourn his death. Although he will be greatly missed in his home and by his friends and neighbors, yet we feel that our loss is heaven's gain. He is gone but not forever. There will be a glorious dawn and we shall meet to part no more on that resurrection morn.

Anna.

The deceased was the father of Mr. William Reynolds of this city, who left some time ago to be with him in his last moments.

### MINING STAMPEDE

Goldfield, Nev., Jan. 11—One day a mountain valley with 20 inhabitants, in a week a pulsating mining camp of 4000 people—that is the history of Manhattan, 80 miles northeast of Goldfield. A low estimate places the exodus to the new fields from Goldfield alone at 2000 persons. Two hundred dollars a day has been paid for automobiles by those anxious to reach the camp in a hurry. Hundreds of teams line the two roads to the latest camp. Yesterday a crowded stage tipped over and killed the driver and slightly wounded some of the passengers. The life at the new camp is strenuous. There is no law or order. Lots have jumped in price from \$250 to \$5500. Meats are very high. A bath in a round tin tub sold the other day for \$2. High prices are paid for sleeping quarters.

### PIANO TUNING

J. C. Ardrey, a former resident of this city, but now near Portland, is in the city. Mr. Ardrey is now in the piano tuning business, and those having instruments requiring attention can secure his services by leaving orders at Huelat's music store. Mr. Ardrey will be in La Grande only about ten days longer.

### WILL DEFEND ORCHARD

Denver, Jan. 10—After a long conference on the question whether the Western Federation of Miners should take up the defense of Harry Orchard, now held at Caldwell, Ida., charged with the assassination of former Governor Steunenburg Secretary William Haywood sent the following telegram to R. J. Hanlon, financial secretary of the Miners' Union at Silver City, Idaho:

"Press dispatches indicate there is another conspiracy to connect the Western Federation of Miners with grave crimes. Several persons in Caldwell have been arrested in pursuance of the conspiracy. The Western Federation defends no member guilty of crime. But in the past it has been found that every one of its members accused of crime was innocent, and they would have been victims of conspiracy had the organization not aided in their defense. Have Mr. Nugent take up the defense of any member of the organization, so that if innocent he may be discharged."

John F. Nugent is an attorney at Silver City.

### ELECTRIC LINEMAN DEAD

Vancouver, B. C., Jan. 10.—William Burgess, a lineman employed by the British Columbia Electric Railway company was electrocuted last night. He was repairing wires at the top of a pole and slipped, grasping a high potential wire as he fell. His body hung suspended in mid air. A fellow workman soon removed it but life was extinct.

### A Creeping Death.

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklan's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at Newlin's Drug Store.
