Aurelia Mining Company stock is selling fast. Manager reports a good strike in the west drift. Work progressing nicely at the property.

We have some stock for sale yet at 5c per share, but at the present rate 5c stock will soon be gone. Those that may want some stock better buy during January, as the price will be advanced to 7½ cents on February 1st 1906

You can buy stock, pay one-fifth down and one-fifth per month until paid. If you are a little short of money take some stock anyway, no matter how little, all will help to develop the enterprise.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated. Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.
