MARRIAGE LICENSES FOR 1905

County Clerk J. B. Gilham has compiled a list of all the marriage licenses issued from his office during the year of 1905, which we publish below as it will be of interest to a great many of our readers. There were one hundred and forty-five licenses issued and, as is shown by the list, the month of September leads in the number issued although it is said that 'tis in the spring when the fancy of young people "lightly turns to thoughts of love."

WITHYCOMBE PLATFORM

Dr. Withycombe, of agricultural fame, has announced himself as a candidate for the nomination for governor on the republican ticket. In speaking of his proposed candidacy he says:

"I am not a candidate of any clique or faction, and if there are any bosses I expect them to work against me. I am a candidate not before the bosses, but before the people, and if I can't be nominated by the people, I don't want to be nominated at all. I don't consider myself a politician at all, for I am ignorant of political manipulations, never having done work in that line, and never having been a candidate for political office before."

"It gives me pride to say that I am a farmer candidate, for agriculture has been my lifework."
The Doctor differs from the average candidate who says, "make the platform and I will get on it," in that he names the principal planks of his declaration, and to say the very least, if carried out would be the betterment of business affairs in this state. His platform as he terms it is as follows:

"Taxation of franchises and other tangible properties that now escape the Assessor.
Uniform assessment and taxation of railroads in the various counties.
A state board of control for state institutions.
A law to regulate state banks.
One board for management of normal schools.
A gross-earnings tax on telegraph, telephone and express corporations.
Improvement of the Columbia River and coast seaports of Oregon.
Purchase of the Locks at Oregon City by the National Government.
Liberal support by the state of agricultural fairs and farmers' institutes.
Amendment to the constitution so that the governor and the people may veto items in appropriation bills.
A square deal for every person.
A greater and a united Oregon."

DON'T TRUST TO LUCK
In the hope that you'll pick up a good cigar here or there. Get hold of a cigar you know to be good—one that everyone who is a judge knows to be a tip-topper. Short of that advice is: **SMOKE THE VISTA ORADA**
and other brands will concern you no longer. That's the cigar to stick to and the price won't "stick" you.

A Creeping Death.
Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores 25c at Newlin's Drug Store.

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death. "As a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Newlin's Drug Store.
