Aurelia Mining Company stock is selling fast. Manager reports a good strike in the west drift. Work progressing nicely at the property.

We have some stock for sale yet at 5c per share, but at the present rate 5c stock will soon be gone. Those that may want some stock better buy during January, as the price will be advanced to 7½ cents on February 1st 1906

You can buy stock, pay one-fifth down and one-fifth per month until paid. If you are a little short of money take some stock anyway, no matter how little, all will help to develop the enterprise.

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Newlin's Drug

DOINGS IN RABBITVILLE

From the Irrigator's Special Correspondent.

Rabbitville wants and Rabbitville has got to have to once a good doctor. We don't guess we will be lucky enough to get one as good as the lamented Dock Standpatt, for that would be expecting too much. But we do want a feller what knows the difference between measles and bots, and who wouldn't pick a feller what neeked fysick and vicey vercey. (them is two luttin words. And that is askin a great lot in these deenerate days when doctorin is leart so easy and is teachid by so menny schools, turnin out a good menny doctors what had orter be a diggin post holes or poundin sand. We don't want a diplomy doctor or a speciality doctor, but one what can cure mules and gotes and sheep as well as men and wimmen, and one what has got tongs for pullin in teeth and knows how to use em too, for there is lots of teeth pullin to be did here, both human and also hosses. Write at once to the city drug store what gives a rake off to doctors. This is a good chanst and should not be overlooked for it would lead a good man to fain and fortune, besides helping me to bring Rabbitville to the front.

Some busybodies has sot in motion a report that our abel, versateel, erudite, broadminded and big-brained county judge cant neeter read nor write, and the feeser what started the rummer awt to be arrested and incinerated in the county jail for at least two or three year. The judge is an ornament to the bench and George Chamberlain orter appointed him to the supreme court in place of appointin Tom Halley.

The dominie pronounced a waddin ceremony last week Thursday. The crimminals eloped in from Cactus lake way. The condemned feller's name was Brook and the female culprit ansered to the cognomen of Waters. In his remarks the parson quoted from Proverbs that "stolen Waters are sweet," and from Chronicles, this is "the end of the Brook." Then they sung, "We will Gather at the River," paid the dominie four bits and lit out for home, where they will watch the inward flow of the tide.

The Good Old Standby.

Nothing like a nice cut of juicy corned beef with cabbage or sauer-kraut once in a while! We can offer most of the time whole or half rounds, if you can use so much, or whatever quantity you require, of well fed and carefully corned beef-tender, "tasty" and wholesome. If you're in the notion today, phone us the order and we'll have the meat around in no time.

A Creeping Death.

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at Newlin's Drug Store.
