coveted cup, for which he has tried three
times without success.

SUCCESS

Some time ago a Boston firm offered a
prize of \$250 for the best answer: "What
Constitutes Success?" The prize was
won by Mrs. A. J. Stanley of Lincoln,
Kan. who thus defined success.

"He has achieved success who has
lived well, laughed often and loved much;
who has gained the respect of intelligent
men and the love of little children; who
has filled his niche and accomplished his
task, who has left the world better than
he found it, whether by an improved
poppy, a perfect poem or a rescued soul;
who has never lacked appreciation of
earth's beauty or failed to express it;
who has always looked for the best in
others and given the best he had; whose
life was an inspiration; whose member a
benediction"

call friend.

The sermon was short, though replete
with words of sympathy and cheer. The
interment took place in the Masonic cem-
